- **What's the deal with the "new" *Star Trek*?**

As mentioned in the first paper, however, the article is a study on the authors' experience of working with the participants, their working style and their electronic programming. During this period, the participants and the author discussed their experience of programming of their device. After that, they gave their opinions on the author's suggestion, "can there be some software or suitable means getting around to give the program writer's access to their own work's progress after the satisfaction of their work? Can we do something like that?"

(2) *unsubstantiated* has a negative connotation. The *unsubstantiated* in our sentence, including the
unsubstantiated *sexual harassment*, has a more neutral tone. (3) *allegedly* shows that *Smith's* name is not
 mentioned in this paragraph. It was the third sentence, and the *allegation* is not a fact and the report is
 written by the press.
