**Global Networks, Local Actions** Marcella Milana, 2016-12-01 Global Networks Local Actions Rethinking adult education policy in the 21st century examines public policy developments in adult education exploring the policy framing of adult education practice in a range of socio cultural contexts and contributing to the development of policy research from global and comparative perspectives Drawing from multidisciplinary fields such as adult education comparative and international education and sociology chapters analyse empirically grounded studies from the US Italy Argentina and Brazil Each study helps to identify how political agents interact at international regional national and local scales and what the implications are for publically funded interventions in adult education While this book recognises the complexity of adult education policy it argues for the need to deconstruct the false belief that what is global in adult education may be intrinsically distinct from the characteristics of geographical or social territories in which adult education occurs Instead it points to localised norms and ideas on Adult Basic and Secondary Education as ultimately contained in and constituting what is at times perceived as global or abstracted from definite geographical or social territories This book calls for a global sociology of adult education in response to global challenges and makes an important contribution to our understanding of developments in public adult education policy As such it will be of key interest to researchers academics and postgraduate students in the fields of adult education comparative and international education education policy and politics sociology of education and global studies

*Expressive Networks* Matthew Kilbane, 2025-06-10 Expressive Networks convenes an urgent conversation on digital media and the social life of contemporary poetry Tracing how poems circulate through online spaces and how capitalized platforms have come to pattern the reading and writing of poetry contributors emphasize both the expressivist cast of digital literary culture and the deep running ambivalence that characterizes aesthetic and critical responses to platformed cultural production The volume features chapters on Pan African spoken word programs Singaporean Facebook groups decolonial hemispheric networks and Japanese media critical poetries as well as platforms such as Twitter X Instagram and Amazon Though contributors write from a variety of methodological positions and address themselves to a range of archives they share the primary conviction that the impact of Web 2.0 on literary practice is far reaching far from self evident and far more variegated and unpredictable than easy summations of social media's influence suggest Expressive Networks asks after poetry's present and future by examining what poems themselves express about the social make up of networked platforms Edited by Matthew Kilbane with contributions from Cameron Awkward Rich Micah Bateman Andrew Campana Sumita Chakraborty Scott Challener C. R. Grimmer Tess McNulty Michael Nardone Seth Perlow Anna Preus Susanna Sacks Carly Schnitzler Melanie Walsh and Samuel Caleb Wee

*New Perspectives in Book History* Dr. H. van den Braber, drs. M. van Delft, dr. N. van Dijk, dr. F. de Glas, dr. M. Keblusek, 2006-07-01 New Perspectives in Book History verschijnt ter gelegenheid van het 14de SHARP congres dat in juli 2006 in Leiden en Den Haag plaatsvindt De

Society for the History of Authorship Reading and Publishing SHARP is een internationale organisatie met wereldwijd zo'n 1200 leden. Het boek bevat 13 artikelen van zowel jonge als gevestigde boekhistorici uit Nederland en België. De onderwerpen lopen uiteen van de Leuvense Universiteit in de vroegmoderne tijd, 17de eeuwse marskramers en 20ste eeuwse uitgeverijen tot de toepassing van modellen uit de bedrijfsgeschiedenis of uit de netwerkanalyse in het moderne boekhistorische onderzoek. In het boek is aandacht voor nieuwe ontdekkingen zoals boekenloterijen en voor de internationale positie van Nederland in het boekenvak. Tezamen vormen deze artikelen een staalkaart van het moderne boekhistorische onderzoek in de Lage Landen.

**Networks and Religion** Sean F. Everton, 2018-07-12. Social scientists who study religion generally believe that social networks play a central role in religious life. However, most studies draw on measures that are relatively poor proxies for capturing the effects of social networks. This book illustrates how researchers can draw on formal social network analysis methods to explore the interplay of networks and religion. The book's introductory chapters provide overviews of the social scientific study of religion and social network analysis. The remaining chapters explore a variety of topics current in the social scientific study of religion as well as introducing a variety of social network theories and methods such as balance theory, ego network analysis, exponential random graph models and stochastic actor oriented models. By embedding social network analysis within a social scientific study of religion framework, *Networks and Religion* offers an array of approaches for studying the role that social networks play in religious belief and practice.

*Interfirm Business-to-Business Networks* Roger Baxter, Arch G. Woodside, 2011-07-25. The three papers in Volume 17 report new theory and in depth descriptions of interfirm network behavior. Each paper includes extensive reviews of the relevant literature on interfirm network behavior as well as data analysis using empirical, positivistic and/or case study research methods.

Networks A Very Short Introduction: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. Networks A Very Short Introduction : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Networks A Very Short Introduction : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
