Christian Release, *The 21st Century Enlightenment* Koran Martin Luther, 2012-02-19 The Koran as a book of peace as it was originally intended to be. The 7th century Koran has acquired a large number of verses that encouraged hatred and violence towards followers of other religions. This was not what the Great Architect had intended as we are all God's children and so this New Revelation has been sent to us in the 21st Century to correct those divisive misinterpretations. Here at last is a 21st Century Koran that promotes peace and reconciliation and will pave the way towards world harmony and peace.
