Included in this collection are 18 of my hottest stories from 2018 together for your reading pleasure These stories involve

cuckolding reverse harem experiences group scenes interracial love stag and vixen and m nage scenes Many of these encounters are drawn from my own life experiences with my cuckold husband and many lovers Included in this story collection are The Complete Hotwife s Revenge SeriesThe Complete Hotwife Bride and Cuckold Groom SeriesThe Complete A Dark and Indecent Proposal SeriesThe Complete Alpha Stables and Cuckolds in Space stories *Cuck Central* Mike Watson ,2023-08-20 Though cuckolding is a common and hot fantasy for a lot of men into femdom or humiliation and or I should say actually transitioning from fantasy to reality is something most people struggle with And if you re part of that large group I understand It wasn t always easy for me to convince MY S O s at the time to participate in this wonderful form of play and some flat out denied at the time It took me a long long time to understand what really works in terms of BOTH partners being REALLY emphasis open to the fantasy and play and fully embracing their respective roles in it Remember cuckolding takes things one step further Until now you ve likely limited your play no matter how base or humiliating to your Lady and yourself or perhaps other ladies on occasion but if you re a guy you ve likely never brought other men into the picture although you ve wanted to many a times And if you re a dominant lady you ve probably often wondered just why exactly you can t bring other men in on command to satisfy you but have yet struggled with the I m in a relationship conundrum and then never gone ahead with the fantasy But our base desires and fantasies never go away my friend We are who we are a deep subconscious level and the subconscious will KEEP pushing your base desires to the surface until they re met Have you ever noticed that the things you think about the most are the things that HAPPEN in your life The thoughts that you put the most emotion into be they positive or negative are what makes events manifest in your life and this is a truism that cannot be escaped whether we re talking vanilla life or BDSM The subconscious is key to who we are and it is key to get the subconscious to accept what we do on a sexual level as well as in real life to avoid any sort of emotional backlash from our actual physical actions and my experience in this regard combined with my extensive experience with femdom and related areas in general makes me the best person to bring you these tips in an easy to understand down to earth yet brutally frank manner that characterizes all my writings And THIS is where most cuckold relationships end up failing as deep down inside people struggle to accept the fantasy for what it is and therefore attempts to translate it into reality end in failed relationships misery for both the partners and way worse And many many years ago yours truly was no exception to the rule either I ve had plenty of homosexual fantasies and encounters along those lines as well which initially left me feeling powerless and used but upon probing these feelings I realized that it was actually a part of me I was trying to repress all along for fear of shame from the outside world Starting with the first time I sucked cock in a motel to the two or three times I sucked dick after that and the many times after THAT I m no stranger to the myriad of emotions accompanying the actual experience I m NOT a stranger to the sheer rush I got from submitting to another man especially with a lady witnessing it all a lady that I was dating a while ago to be frank I m not a stranger to the guilt trips my self experienced as well post my first
