Reece,2013-07-12 What is important is the circles of influence that have helped me to become who I am today God has used each splash to divinely order every step to ripple through every part of my life ministry and story I pray to continually make splashes with those impacts from here to the uttermost parts of the earth by living out each lesson learned Never forget that regardless of the size of the splash each one of them continues to ripple across the ocean of life Crystal Reece Author Her story is our story Its the life of contrasts the writer of Ecclesiastes told us about Sadness and joy tears and victory grief and dancing crawling and flying its all there But unlike so many the fragile segments of Crystals life are held together by the God thread of unwavering trust It is this very thread that reaches out and weaves you into the amazing tale of a life of selfless devotion to the God of the universe More than a memoir this is a story that can become yours if you let it Melani Shock Pentecostals of Alexandria and author of Eat This Book If you expect this book to be about a young womans call to do missions work it is Do you perceive it to be about prayer You are correct Do you view this as a how to book on finding Gods will and experiencing His provision Right again its all this and more This book illustrates how God strategically places influencers in our lives to splash us as Crystal so ably states causing ripple effects As you read may your heart be stirred causing you to splash others with the all encompassing love of Jesus Christ David and Kathy Brott missionary envoys Global Missions UPCI **"In Jesus' Name"** David A. Reed,2019-08-26 In Jesus Name tells the story of the third stream of Pentecostalism which emerged during the formative years of the Pentecostal Revival This is the first comprehensive study of the origins history and theology of Oneness Pentecostalism the heterodox movement expelled from the Assemblies of God in 1916 for its rejection of the doctrine of the Trinity and insistence on water baptism in the name of the Lord Jesus Christ Reed traces the movement now estimated at 14 million world wide to its Pietist and Evangelical roots Its distinctive doctrine is a radical trajectory of a christocentric reaction that had already begun in early Pentecostalism Reed s study shows the

inadequacy of the label of heresy in light of its thoroughgoing Pentecostal identity and theology of the Name of God This title was granted the PNEUMA award for 2009 **A Study Guide for the New Birth** David K. Bernard, Neil Stegall, 1987
