New English File Upper Intermediate Key Test

Noah Webster

New English File Upper Intermediate Key Test:

English File 4E Upper-intermediate Student Book Christina Latham-Koenig, Clive Oxenden, Kate Chomacki, Jerry Lambert, 2020-01-02 English File's unique lively and enjoyable lessons are renowned for getting students talking. In fact 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills. *Test Your English Vocabulary in Use Upper-intermediate Book with Answers* Felicity O'Dell, Michael McCarthy, 2012-08-23 Vocabulary tests to accompany the popular English Vocabulary in Use Upper intermediate Third edition. Test Your English Vocabulary in Use Upper intermediate Second edition contains 100 easy to use practice vocabulary tests with a clear marking system on each page so that progress can be easily checked. The book can be used on its own for self study or in the classroom or to reinforce the vocabulary covered in English Vocabulary in Use Upper intermediate Third edition available separately.

Success on your Certificate Course in English Language Teaching Caroline Brandt, 2006-07-04 Extremely comprehensive and well written in terms of style accessible to the reader but intelligent and expressing some fairly subtle concepts. Would that more ELT practitioners could do the same. Certainly a good read for those thinking about and also those engaged in initial training or even post initial training stage. Jenny Pugsley Head of TESOL Trinity College London. It's essential reading whether you are simply curious about what is involved in training in ELT, need advice on choosing the right course, have already enrolled and want to make the most of your course or are a new teacher just starting out. It's a book I wish I'd had when I was starting out in my ELT career and that I wish had been available to many of the course participants. I have tutored Lyn Strutt, ELT author and Chair of the British Council Families Association. Each year thousands of people all over the world take one of the hundreds of available short pre-service courses that lead to the award of a certificate in English Language Teaching (ELT) or Teaching English to Speakers of Other Languages (TESOL). Caroline Brandt's book is an invaluable guide to anyone thinking of enrolling on one of these courses. With a clear and concise structure that follows your general interest in TESOL right through to the intricacies of the course itself, it can be used from initial research stages to final qualifications and beyond. Brandt's decades of experience in this field across the globe shine through. Chapters include introducing English Language Teaching, becoming qualified, knowing your certificate course, getting started, learning, working together, being qualified. Throughout the book there are snapshots of students' experiences in their own words and summaries of key points for you to take with you whether into the next stage of learning or the next day's teaching. The chapters are stand-alone resources as well as the building blocks to becoming a fully qualified English Language teacher. The book is supported by a companion website which provides quizzes to test understanding of each chapter, lesson plan proformas, a full glossary and annotated website links.
