Gods kingdom present in their midst Kim Kardashian's Marriage Sam Riviere,2015-02-03 The 72 poems in Kim Kardashian s Marriage mark out equally sharpened lines of public and private engagement Kim Kardashian s 2011 marriage lasted for 72 days and was seen by some as illustrative of celebrity life as a performance as spectacle Whatever the truth of this and Kardashian s own statements refute it Sam Riviere has used the furor as a point of ignition deploying terms from Kardashian s make up regimen to explore surfaces and self consciousness presentation and obfuscation His pursuit is toward a form of zero privacy akin perhaps to Kardashian s own life that eschews a dependence upon confessional modes of writing to explore what kind of meaning lies in impersonal methods of creation The poems have been produced by harvesting and manipulating the results of search engines to create a poetry of part collage part improvisation The effect is as refractive as it is reflective and disturbs the slant on biography through a bricolage of recycled and cross referenced language until we are left with a pixellation of the first person *Triumph and Terror* Jean Staudinger,2002 Triumph and Terror Revelation D the Truth for End Times is a Study Guide appropriate as a resource for Christians of all denominations The goal of the Study is to strengthen readersO faith and understanding as well as to challenge and stimulate the thinking of all who seek It aims to provide a straightforward uncomplicated narration of our LordOs glorious Revelation The writing of Triumph and Terror is presented in a chapter by chapter commentary dealing concisely with each and every verse Comments critical to the readerOs understanding are carefully supported by and referenced to scripture moreover to simplify the reading for young Christians and impatient seekers quite often the referred scripture is quoted Seldom does the manuscript allow supposition The Study is strengthened and enhanced by the inclusion of ten teaching appendices a ten page glossary of terms and a brief synopsis at the beginning of each chapter The approach is intentionally direct and the language written simply so that it is appropriate for the lay reader Prayerfully the writer has attempted to coherently unravel the mysteries of the Revelation and clearly present the ideas and themes that are complex and interwoven The simplicity of the Study responds to a pressing need in both the Christian and secular world never before has there been such urgent seeking for answers as to what the future holds for humankind In some instances the Study confirms currently accepted theological ideology however in other areas it opens discussions never before pursued It carefully documents through scripture and historical records the answers to questions that are as old as Daniel while opening insight into passages which have generally been avoided by most scholars Through consistent use of scripture it informs and challenges teachings that have hitherto been unchallenged
