New Creation Psalms:

New Creation Psalms Tom Hoornstra, 2014-11-12 New Creation Psalms are an extended meditation in verse Like the original Psalms its rhythms and imagery are inspired by contemporary worship and may be adapted to the same But their primary inspiration is the beauty and wonder of creation specifically the California coast the Sierras and the lakes and woods of my native northern Michigan landscapes sacred dreamscapes which opened my eyes to the light within created things and my ears to the prayer and praise which they utter The entire cosmos is permeated by liturgies of creation and hymns of praise The whole of reality is meant to be one vast Prayer Far from a plea sent towards a different God prayer is the means by which Creator and Creature are irrevocably entwined one with the other in mutual sympathy Tom Cheetham Through all of this I have come to the belief that the calling of the poet and psalmist in fact the chief vocation of man is to give human voice to that prayer To be the eyes ears and heart of the Creator in the midst of creation To offer the things of earth for redemption to lift each moment and longing to heaven to make intercession for each man and creature that all might find place and none be forgotten in the roll of the names and the courts of the Kingdom Like the biblical Psalms these verses also speak to the despoilation of the earth the state of human society the wickedness which is done under the sun the cry of the heart for justice for deliverance and the longing for light and hope where there sometimes doesn't seem to be any Though the answer may be implicit in the question this very cry and longing are a witness to a stirring of the Spirit in our time a sign that we have not been abandoned A rumble of faith an inner sensing that the death throes of the world around us are in fact the birth pangs of a new creation within us If we could see and embrace it These meditations have helped me to do so May they help you as well

A Theological Introduction to the Book of Psalms Prof. J. Clinton McCann JR., 2011-12-01

Taking his point of departure from the newest frontier of research McCann reads the psalms in the context of their final shape and canonical form He interprets the psalms as scripture as well as in their character as songs prayers and poetry from Israel's history McCann's intent is to contribute to the church's recovery of the psalms as torah as instruction as a guide to prayer praise of God and pious living The explicit connections which McCann draws from the psalms to the New Testament and to Christian faith and life are extensive making his work suitable for serious study of the psalms in academic and in church settings An appendix examines the tradition of singing the psalms and offers suggestions for the use of the psalms in worship

In the Lord's recovery during the past five hundred years, the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set, Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life, nourishment, or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.
