

RENTAL MOVE-IN & MOVE-OUT CHECKLIST

The Attorney General recommends that renters conduct a move-in inspection with their landlord or property manager present. This should be done before moving in or at the time of move-in. The checklist below, or a similar form will provide a record of the inspection. Renters are similarly encouraged to conduct a move-out inspection, also with the landlord or property management representative present, several days before vacating the premises and utilizing the same form for purposes of comparison. It is also recommended that, during the move-out inspection, the renter ask what is required to receive a full refund of any security deposit paid at the beginning of the rental period.
