Chuck Brummel,2014-03 My storey is about my life I was born in 1939 and my family literally broke apart when I was little I do not recall ever living in a home with my mother and father together There were several years I spent in foster care and then living with Mom and then Dad bouncing back and forth a couple of times until I was a junior in high school My father moved but I didn t I spent my final year in high school living with a local family thanks to a basketball coach who took special interest in me I spent some of

my time growing up being a juvenile delinquent petty theft shop lifting drinking smoking and other such irresponsible activities I made a decision to change my life after my freshman year in high school and went to live with my father whom I already knew was a strict disciplinarian and a very controlling individual But I got the chance to start my life over again at age 15 I made the most of my new start and I want to tell my story

Slipping into Darkness Peter Blauner,2011-03-29 DIVDIVWhen a twenty year old murder case comes back to life a detective must race against his failing sight to unravel the mystery divDIV divDIVWhen Allison Wallis was beaten to death Detective Francis X Loughlin found the killer Julian Vega a teenager with a crush on the murdered girl Using his natural sense of empathy he cozied up to young Julian convincing him to give a confession that would put him away until he was thirty six divDIV divDIVTwenty years later Julian is finally out of jail attempting to remember how to live in a world without bars and Detective Loughlin is still on the job his sight fading though his instincts are still sharp But when Allison s blood appears at a new crime scene everything he thought he knew about that long ago murder is called into question Was it really Allison they buried Was Julian actually the killer And if he wasn t who else is in danger now divDIV divDIVThis ebook features an illustrated biography of Peter Blauner including rare photos and never before seen documents from the author s personal collection div div Record Society for the Publication of Original Documents Relating to Lancashire and Cheshire Record Society of Lancashire and Cheshire,1891 **Reaching for a Star** Craig Cronbaugh,2005-04-12 Whenever I mention my Frankie Laine association to someone for the first time two questions always come up Why are you interested in Frankie Laine and his music and How did you meet Frankie I suppose the first question relates to my age I was born a decade after Frankie had recorded That s My Desire in 1946 That record became Frankie s first to sell a million copies in 1947 Furthermore Frankie was already internationally famous by 1954 the year my parents were married Why did I become interested in Frankie Laine and his music I can sum it up in one word emotion Frankie now retired is an expressive person As a true song stylist Frankie shaped and phrased the words in a melody thus creating a style that was all his own Indeed all Frankie Laine fans treasure Frankie s great ability as a vocalist However as far as I am concerned the allure of Frankie Laine

goes beyond his musical voice I think Frankie s immense emotion and profound appreciation for what he sang regardless of whether it was a jazzy up tempo song or a slow ballad or any other type of song were what always captivated me This book answers the second question detailing the story associated with the first time I met Frankie Laine Nonetheless when I met Frankie in 1985 our time together was notable in an unexpected way I experienced another aspect of Frankie Laine which had absolutely nothing to do with music his kindness Although I had read stories about what a nice person Frankie always was I witnessed firsthand how much he truly cherishes his fans Primarily I had two goals in writing this book First I needed to assemble all my wonderful Frankie Laine adventures and put them down on paper in an organized fashion before my memories of the events faded Therefore I searched through numerous videotapes audiotapes newspaper articles letters photographs and e mail notes within my prized Laine library Of course I also relied on my personal recollections Second I aspired to relate to readers how an ordinary person me by sheer determination and action had succeeded in his initial quest I did meet Frankie Laine Additionally I developed a friendship with this amazing famous singer Each person has a special dream Some dreams do come true Craig Cronbaugh 2005 **Taxpayer Information Publications** ,1996
