

# **Alberta Police Cognitive Ability Test (APCAT) Candidate Brochure<sup>1</sup>**

## **General Information about the APCAT**

*Q1. What does the APCAT measure?*

A1. The APCAT test measures one's potential to successfully complete police recruit training and to perform effectively as a police officer in the province of Alberta.

*Q2. How many questions are there?*

A2. The test includes 120 multiple-choice questions.

*Q3. How much time is allowed to write the test?*

A3. Candidates are given 30 minutes to review a Pretest Study Booklet. They then are given 2 hours and 15 minutes to complete the test.

*Q4. What do I need to do to prepare for the test?*

A4. Unlike a highschool or university test, it is not necessary to study for the APCAT. The reason is that the APCAT does not measure your knowledge of a particular subject, but rather your ability to think and reason.

*Q5. How do I arrange to take the test?*

A5. If you need to write the APCAT as part of the application process for a particular police agency, that agency will inform you of where and when you can write the APCAT.
