**100 Essential Recipes From Bulgaria** martin miller-yianni,2010-09-18 Bulgarian cuisine is unknown outside the Balkans Within this small country tucked away in SE Europe is a wealth of healthy wholesome and economical dishes steeped in tradition and based upon a heaven s Eden of fresh local produce grown there Having spent much time now living and working Bulgaria over the years I have collected many recipes all tried and tested I was discovering the distinctive and untapped tastes of a country that is considered the breadbasket of not just Eastern Europe but the whole of Europe

Simple Treasures in Bulgaria Martin Miller-Yianni,2008-10 Bulgaria is one of the least known countries in Europe Tucked away in the southeast corner of Europe it has been hiding many treasures away unbeknown to many outsiders Most if not all travel books about Bulgaria cover well trodden tourist resorts and understandingly ignoring lesser known parts of Bulgaria These fortunate neglected areas where tourism hasn t affected remain in my and many others opinion the most treasured parts of Bulgaria The writing contains a variety of titles ranging from an epitaph of a simple Bulgarian village farmer to a traditional Bulgarian recipe with a local twist articles giving humorous moments to more serious issues that Bulgarians have to contend with It is seen with a clear view of how Bulgarians live and work both in towns and villages remaining firmly family and community bound

Pawlusz,Jeremy Morris,2018-03-20 Since the collapse of the Soviet Union nation building and identity construction in the post socialist region have been the subject of extensive academic research The majority of these studies have taken a top down approach focusing on the variety of ways in which governments have sought to define the nascent nation states and in the process have often oversimplified the complex and overlapping processes at play across the region Drawing on research on the Balkans Central Asia the Caucasus and Eastern Europe this book focuses instead on the role of non traditional non politicised and non elite actors in the construction of identity Across topics as diverse as school textbooks turbofolk and home decoration contributors each an academic with extensive on the ground experience identify and analyse the ways that individuals living across the post socialist region redefine identity on a daily basis often by manipulating and adapting state policy In the process Nation Building in the Post Socialist Region demonstrates the necessity of holistic trans national and inter disciplinary approaches to national identity construction rather than studies limited to a single state territory This is important reading for all scholars and policymakers working on the post socialist region      *Global Dishes* Caryn E.

Neumann,Lori L. Parks,Joel G. Parks,2023-06-30 Winner 2024 RUSA Outstanding Reference Award Through an interdisciplinary approach that shows how food can reflect a culture and time this book whets the appetite of students for further research into history anthropology geography sociology and literature Food is a great unifier It is used to mark milestones or rites of passage It is integral to the way we celebrate connecting a familial and cultural past to the present through tradition It bolsters the ill and soothes those in mourning The dishes in this text are those that have come to be known within a part of the world and culture but also have moved beyond those borders and are accessible and enjoyed by many in our ever smaller and more interconnected world Featuring more than 100 recipes and detailed discussions of dishes from across the globe *Global Dishes Favorite Meals from around the World* explores the history and cultural context surrounding some of the best known and favorite foods The book covers national dishes from more than 100 countries including large nations like Mexico and small countries like Macao There is also coverage of foods beloved by Indigenous peoples such as the Sami of Scandinavia Traditional favorites are offered as well as newer dishes      *Culinary Cosmic Top Secrets a NATO Cookbook* Magdalena Sinkovec,2004-06-01 Magdalena Sinkovec compiled a unique international cookbook from the contributions of ethnic recipes prepared by ladies mostly present and former Ambassadors one Ambassador one former First Lady and a friend from the now 26 NATO nations to celebrate the 2004 NATO enlargement with Bulgaria Estonia Latvia Lithuania Romania Slovakia and Slovenia Politics and cuisine are not far apart There is food for thought things are either on the front or the back burner texts are watered down crises are simmering there are half baked theories situations turn sour things are cooked up and eventually they boil down And this cookbook represents both a melting pot of great culinary tradition as well as a treasure of cultural diversity something that adds tremendously to the strength and vitality of NATO The foreword is contributed by the wife of the NATO Secretary General      The Food and Cooking of
