Shore Things Hood Canal Fjord:

Shore Things Mark Carpenter, 2014-10-30 Photos from along the Hood Canal Fjord *Augland* Erin Carrougher, 2023-12-06 No matter how hard she tries Ashton cannot keep her head down Not after Sheva is dragged off a train in front of her Augland 54 is the Pacific Northwest's most extravagant theme park Those with Suits choose the body they want and live the life of their dreams and those without Suits work for the Artificial Existence Center or AEC As long as the workers keep their heads down Augland provides food and shelter from the post war world outside its domed walls When Ashton is sent to the new Land of Legends park she discovers that Augland is keeping secrets inside and outside of its walls and they're more violent than she ever expected So she decides to fight back After all if Augland is going to make her dress up as a red headed warrior princess then she's more than willing to become one In a corporation ruled world inhabited by the augmented bodies of the wealthy securely cut off from the rest in life extending pods Ashton exposes the sham of corporate success and refuses to remain a cog in the machine The only thing that matters now is freedom

UnSuted Erin Carrougher, 2024-03-05 Ashton is finally free living under the cloudy sky of the Hood Canal without Wolfe who is still in Augland carrying on the rebellion from the inside At least that's what Ashton thinks until Wolfe leads an attack at the Colony and kidnaps Jagatha Heartbroken and once again defeated by Augland Ashton is forced to decide whether to accept the loss and keep her freedom or fight against the tyranny of the Suits even if it means going back into the dome of the Augland park she fought so hard to escape Ashton soon discovers that the levels of Augland 54's treachery go far deeper than she ever imagined and the only way to fight it is to become another version of herself But even with the facade Ashton is afraid she is unsuitable to lead the rebellion Can the
