Dachun Zhang,2000 These two searingly funny and unsettling portraits of teenagers beyond the control and largely beneath the notice of adults in 1980s Taiwan are the first English translations of works by Taiwan s most famous and best selling literary cult figure Chang Ta chun s intricate narrative and keen ironic sense of humor poignantly and piercingly convey the disillusionment and cynicism of modern Taiwanese youth Interweaving the events between the birth of the narrator s younger sister and her abortion at the age of nineteen the first novel My Kid Sister evokes the complex emotional impressions of youth and the often bizarre social dilemmas of adolescence Combining discussions of fate existentialism sexual awakening and everyday absurdities in a typically dysfunctional household it documents the loss of innocence and the deconstruction of a family In Wild Child fourteen year old Hou Shichun drops out of school runs away from home and descends into the Taiwanese underworld where he encounters an oddball assortment of similarly lost adolescents in desperate circumstances This novel will inevitably invite comparisons with the classic The Catcher in the Rye but unlike Holden Caulfield Hou isn t given any second chances With characteristic frankness and irony Chang s teenagers bear witness to a new form of cultural and spiritual bankruptcy **Circles on the Mountain** Janet M. Powers,Marica Prozo,2016-07-25

This book combines scholarly research with first person interviews to examine the current state of women in Bosnia twenty years after the Balkan War their emotional recovery their economic situation and their prospects for the future It describes how two of the worst issues affecting Bosnian women today are domestic violence and trafficking Both are being addressed

successfully by Bosnian women's organizations applying skills developed earlier in coping with rape and war trauma. It demonstrates how these organizations shoulder a societal load that various levels of government have no will or budget to address and shows that in parts of central Bosnia feelings still run high between Christians and Muslims. The authors argue that where ethnic hostility persists in rural areas successful peace building should include ethnic song and dance as well as dialog groups.

**Military Kids Speak** Julie Rahm, 2011-02-04. Celebrating the role military families play in the success of America as well as their individual accomplishments. *Military Kids Speak* by former naval physicist and author Julie Rahm is a fascinating and inspired account of what it takes to be a military kid. It's a team effort with a common goal: the mission is to describe what it means to be a part of a military family, what it takes to persevere when it comes to deployments and living abroad. It's also a candid account of the military lifestyle and how special it is to be a child of a hero. In two parts and seventeen chapters with titles like *Military Kids Speak about Deployments*, *Military Kids Speak about Living Abroad*, and *Military Kids Speak about Making Friends*, this engaging conversational book begins with over two dozen essays written by today's military kids. These young authors, aged ten to sixteen, discuss the rollercoaster ride of military life: its perks and privileges as well as its hardships and heartaches. While the second half comprises twelve in-depth interviews with famous former military kids like Justice Leah Ward Sears, Newt Gingrich, Shaquille O'Neal, and Mark Hamill, being a military kid is special: a childhood spent with the military is an adventure. This first volume of *Military Kids Speak* is a narrative of what American kids of servicemen and servicewomen sacrifice for their country day in and day out all over the world and what they have to say about it.

**Teaching for Joy and Justice** Linda Christensen, 2009. *Teaching for Joy and Justice* is the much anticipated sequel to Linda Christensen's bestselling *Reading, Writing, and Rising Up*. Christensen is recognized as one of the country's finest teachers. Her latest book shows why. Through story upon story, Christensen demonstrates how she draws on students' lives and the world to teach poetry, essay, narrative, and critical literacy skills. *Teaching for Joy and Justice* reveals what happens when a teacher treats all students as intellectuals instead of intellectually challenged. Part autobiography, part curriculum guide, part critique of today's numbing standardized mandates, this book sings with hope born of Christensen's more than 30 years as a classroom teacher, language arts specialist, and teacher educator. Practical, inspirational, passionate: this is a must-have book for every language arts teacher, whether veteran or novice. In fact, *Teaching for Joy and Justice* is a must-have book for anyone who wants concrete examples of what it really means to teach for social justice.
