

# The Basketball Player

By: Justin

During the championship,  
Near the bench,  
Outside the three point line,  
On the court,  
Between the defenders,  
Over the block,  
Through the defense,  
By the basket,  
At the backboard,  
Off the rim,  
Into the net,  
Shot the sweaty basketball player.

discussions      **Poetry People** Sylvia M. Vardell, 2007-06-30 Dr Sylvia Vardell's new children's poetry reference book provides a comprehensive introduction to more than 60 contemporary young people's poets. Focusing primarily on those who are still actively writing today, the author includes poets appropriate for young children through young adults. Each entry features brief biographical information, highlights selected poetry books, authored showcases, awards won, notes, related Web sites, and provides suggestions for making connections, programming ideas, related books, and activities. The book is ideal for librarians who serve children and young adults as well as for teachers and others who work with children and young adults. Beginning with Arnold Adoff, the list of poets is both impressive and informative. A sample: Francisco Alarcon, Aileen Fisher, Douglas Florian, Nikki Giovanni, Kristine O'Connell, George Jane Yolen, Eloise Greenfield, John Ciardi, and many more.      **Don't Read Poetry** Stephanie Burt, 2019-05-21 An award-winning poet offers a brilliant introduction to the joys and challenges of the genre. In *Don't Read Poetry*, award-winning poet and literary critic Stephanie Burt offers an accessible introduction to the seemingly daunting task of reading, understanding, and appreciating poetry. Burt dispels preconceptions about poetry and explains how poems speak to one another and how they can speak to our lives. She shows readers how to find more poems once they have some poems they like and how to connect the poetry of the past to the poetry of the present. Burt moves seamlessly from Shakespeare and other classics to the contemporary poetry circulated on Tumblr and Twitter. She challenges the assumptions that many of us make about poetry: whether we think we like it or think we don't, in order to help us cherish and distinguish among individual poems. A masterful guide to a sometimes confounding genre, *Don't Read Poetry* will instruct and delight in new and cognoscenti alike.      **Many Peoples, One Land** Alethea K. Helbig, Agnes Regan Perkins, 2000-10-30 Celebrating the wealth of quality multicultural literature recently published for children and young adults, this valuable resource examines the fiction, oral tradition, and poetry from four major ethnic groups in the United States. Each of these genres is considered in turn for the literature dealing with African Americans, Asian Americans, Hispanic Americans, and Native American Indians. Taking up where their earlier volume *This Land is Our Land* left off, Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999. Both considered authorities in the field of children's literature, the two of them personally selected, read, and evaluated all the books included here. Their insightful annotations help readers carefully consider both literary standards such as plot, development, characterization, and style as well as cultural values as they are represented in these cited works. Each entry also indicates the suggested age and grade level, appropriateness of the work. With the proliferation and ever-increasing popularity of multicultural literature for children and young adults, this sensitively written volume will serve as an invaluable collection development tool. Teachers as well as librarians will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use. Even students will find this book easy to use with its five indexes identifying works by title, writer, illustrator, grade level, and subject. Public libraries and school media
