## Short Sermon Good Samaritan Parable:

*Short Sermons on Important Subjects* Jonathan Edmondson, 1846      Wild Goose Chase Mark Batterson, 2009-03-31 Most of us have no idea where we're going most of the time. Perfect Celtic Christians had a name for the Holy Spirit: An Geadh Glas or the Wild Goose. The name hints at mystery. Much like a wild goose, the Spirit of God cannot be tracked or tamed. An element of danger and an air of unpredictability surround Him. And while the name may sound a little sacrilegious, I cannot think of a better description of what it's like to follow the Spirit through life. I think the Celtic Christians were on to something. Most of us will have no idea where we are going most of the time. And I know that is unsettling. But circumstantial uncertainty also goes by another name: Adventure. From the introduction      *Preaching the Four Gospels with Confidence* Steven D. Mathewson, 2013-08-21 The gospels hold the key to why pastors get up every Sunday to preach. They are the good news, the pinnacle of the Christian faith. But in order to preach from them with truth, clarity, and confidence, you'll need the right tools. *Preaching the Four Gospels with Confidence* is a book written for pastors who love Jesus and want to preach the Gospel well. With a compelling voice, Steven D. Mathewson offers sound scriptural advice, provides bibliographic tips for further study, and quotes from well-known and respected biblical scholars including G. K. Beale, Craig S. Keener, D. A. Carson. Additionally, Mathewson will teach you how to negotiate the common challenges that arise while preaching from the gospels. Problems such as: How to interpret the gospels in relation to the rest of the New Testament; How to rightly handle the Jewish and Greco-Roman context of the gospels; How to affirm the authority of the four gospels over the lost gospels. This is not a how-to-preach book; it is a how-to-preach well handbook that you'll want to reference again and again as you prepare sermons from the gospels.      **Plain sermons, by contributors to the 'Tracts for the times' [ed. by I. Williams and W.J. Copeland]. [2 sets, containing differing eds. of vol.1. Vol.3 of the 2nd set is described as being of a New ed.].** Plain sermons, 1842

**Preaching the Parables** Craig L. Blomberg, 2004-07 A guide to preaching the parables that shows how to first interpret the parables, then proclaim their significance      Sermons of Arthur C. McGill Arthur C. McGill, 2007-01-01 Throughout the 1960s and 1970s, Arthur McGill had numerous opportunities to air his rich theological musings outside of the classroom. We are now fortunate, some twenty-five years after his death, to have seventeen sermons brought to us by the aid of his wife, Lucille McGill, and editor David Cain. University of Mary Washington. These homilies reveal the core themes that distinguish his theological writings: relaxing in our neediness before God; participating in the death-to-life pattern of self-expenditure and rooting our hope in the unique power of Christ. The collection culminates with what Cain notes as McGill's signature sermon on The Good Samaritan, wherein we see that the reception of grace always precedes the extension of grace. In addressing day-to-day issues such as possessions, speech, loneliness, and anger, McGill is both prophetic and pastoral. He does not hesitate to say that the wickedness of Nineveh, alas, is the wickedness of the United States. At the same time, he brings a refreshing word with theological depth about human suffering and the God who models ultimate vulnerability      **Plain Sermons**, 1842

*Reading the Parables* Richard Lischer, 2014-01-01 Parables make up one third of Jesus' speech in the New Testament. In this volume Richard Lischer provides an expert guide to these parables and proposes an important distinction between reading and interpreting the parables. Emphasizing the importance of reading the parables versus interpreting them, Lischer asserts that reading offers a kind of breathing space to explore historical, literary, theological, and socio-political dimensions of the parables and their various meanings, whereas interpreting implies an expert and critical position that must be defended. In this volume Lischer lays out four theories for reading parables: 1. parables obscure truth, 2. parables teach many truths, 3. parables teach one truth, and 4. parables undermine the truth. Ultimately, he concludes that biblical parables undermine dominant myths, called the truth, to shine light on the Truth that is Jesus' God's presence with us.

**Florence Nightingale's Spiritual Journey: Biblical Annotations, Sermons and Journal Notes** Lynn McDonald, 2006-01-01 Florence Nightingale (1820-1910) is widely known as the heroine of the Crimean War and the founder of the modern profession of nursing. She was also a scholar and political activist who wrote and worked assiduously on many reform causes for more than forty years. This series will confirm Nightingale as an important and significant nineteenth-century scholar and illustrate how she integrated her scholarship with political activism. Indispensable to scholars and accessible and revealing to the general reader, it will show there is much more to know about Florence Nightingale than the lady with the lamp. Although a life-long member of the Church of England, Nightingale has been described as both a Unitarian and a significant nineteenth-century mystic. Volume 2 begins with an introduction to the beliefs, influences, and practices of this complex person. The second and largest part of this volume consists of Nightingale's biblical annotations made at various stages of her life, some dated, some not. The third part of volume 2 contains her journal notes, including her diary for 1877, which is published here for the first time. Much of this material is highly personal, even confessional in nature. Some of it is profoundly moving and will serve to show the complexity and power of Nightingale's faith. Currently, Volumes 1 to 11 are available in e-book version by subscription or from university and college libraries through the following vendors: Canadian Electronic Library, Ebrary, MyiLibrary, and Netlibrary.

*Recapturing the Voice of God* Steven W. Smith, 2015-06 In *Recapturing the Voice of God*, veteran preacher Steven W. Smith teaches how to preach genre-sensitive, text-driven sermons to allow the structure of the text to be the structure of the sermon.

**Preaching for the Contemporary Service** Prof. Joseph M. Webb, 2010-09-01 *Preaching for the Contemporary Service* is a guide to releasing the energy and creativity of the contemporary worship service within the sermon. Is the traditional sermon still relevant in contemporary worship settings, or is it hopelessly out of place? Joseph Webb shows how improvisational preaching taps into the spontaneity of today's worship to engage audiences with the good news of Jesus Christ. To read a sample from the book, [click here](#). **Journeys toward Narrative Preaching** Wayne Bradley Robinson,2007-02-21 This volume is the outcome of the work of six members of the Narrative and Imagination working group of the Academy of Homiletics We hope that this volume will encourage those who have not tried narrative preaching to do so especially since we present a variety of models of how to do

narrative preaching and show how each of us moved toward the particular model we present We also hope that this volume will contribute to the development of the discipline of narrative preaching When done well narrative preaching has the power to effect the kind of transformation in people's lives which we all hope for when we as vehicles attempt to communicate the good news This is so in part because narrative preaching both reflects and impacts on the narrative quality of life as we live it We recognize ourselves in narratives and we can imagine ourselves changed through narrative in a way that does not often happen through other means of preaching from the Introduction Contributors Robert G Hughes Eugene L Lowry Wayne Bradley Robinson Lucy Rose Richard L Thulin Michael E Williams *The Foreign Missionary*, 1861 [Ethics in Contexts](#) James W.
