

## FACT OR OPINION

An opinion is a belief or feeling about something that not everyone will always agree with. A fact is something that can be proven true.

Read the following passage:

Sandra went to the zoo with her parents on Saturday. It took them an hour to get there because there was a lot of traffic. She had lots of fun looking at all of the animals. The polar bears were really cute. The lions looked ferocious and wild. She even had a chance to see the giraffe during feeding time. On the drive home, Sandra fell asleep because she was so tired.
