human race I hope it will provide you an insight into the life and mind of a soldier what makes us the way we are what drives us on when other men would fold what binds us together like no other brotherhood on earth what makes us laugh and what scares us shitless Watching men die violently for the first time is not something I would wish on any young man Yes many who have not served will say It will make a man out of you son but what do they know In reality it will destroy far more men than it makes leaving many dead or crippled for life some with wounds you can see but far more with wounds which you cannot
