

Essay on Pollution

The word pollution comes from the Latin 'polluere' that simply means contamination. Hence, in layman terms, pollution is something that contaminates the environment. The presence of harmful substances in the air, land, and water, which can have an adverse effect on living beings and on the environment is pollution. - Referring to harmful gases, fluid or other pernicious matter that are released or introduced in the natural environment. It is also toxic material that makes the soil and air impure, pollutants, contaminants, or hazardous substances that makes the environment unsuitable or unsafe. pollu
