

# Holi Essay in English

Holi is an important festival of the Hindus. It is a festival of colours. The festival of Holi lasts for two days. The celebration begins with Holika Dahan on the night before the festival and the following day is called Holi. On the occasion of Holi people are very happy. They forget their cares and anxieties. They sprinkle coloured water on one another. They smear coloured powder on the faces of others. Holi is a happy occasion when we mix freely with all. We forget the social distinction between the rich and the poor. This colour of festival unites people and removes all sorts of negativity from life.
