

My career goals stem from wanting to help all people achieve equality. Giving minority groups a fair opportunity at succeeding demonstrates the best contribution I can make to the world. My passion for finding parity stems from my diverse background, and my love for culture comes from my mother, a Mexican immigrant. Growing up visiting Mexico and learning Spanish, I developed a strong sentiment for the Hispanic culture. Equality is important to me because I want to see people, like my Hispanic family or peers, succeed with the same opportunities I have. For this reason, I will double major in Political Science and Spanish at Wichita State University with the intent to later attend law school.

If given a scholarship, the community around me will also benefit. As a senior, I have learned the importance of community through my work with the Playwood Youth Commission. Since last summer, I have been meeting with a team of seven people 2-3 times a week to draft documents, present to city officials, recruit members, and create a sustainable group. Because of our work, youth voices will be heard in Playwood, leading to a city that youth want to live in, with city leaders knowing how to cater to youth needs. Additionally, every summer I have volunteered 6 hours a day for nine weeks at Sesame Theater. Dedicating time and effort to build costumes, direct children's shows, and assist the staff demonstrates how much I care about my community and how capable I am of giving back to it. These experiences will impact how I utilize my future degrees and contribute to society.

Thank you very much for considering me for this scholarship. This would put me a step closer to helping immigrants earn their rights and giving back to my community.
