

Choose one of the magazine covers you have analysed in class and outline the techniques it uses to appeal to its target audience.

The magazine I will be analysing for this essay is Red. This magazine is aimed at an audience of sophisticated women between the ages of 30-50. This is because the cover lines in this magazine are health, beauty and home instead of celebrity gossip which attracts a different type of audience as sophisticated women are in to how they look and how to look after themselves instead of gossip.

Uma Thurman has been chosen to go on the cover of this magazine as in the picture she looks glamorous as well as sophisticated which is the audience the magazine is trying to attract. She has also appeared in many famous films which makes her a Hollywood star. In the image Uma looks very classy but also glamorous at the same time as she is wearing a sophisticated outfit which are covering her shoulders but her hair and make-up has been done professionally giving her a natural look which makes her look classy. Uma also could have been chosen to go on the cover of Red as she is roughly the same age as the audience Red is targeting so the readers of this magazine could relate to her and her problems as well as her being an aspiration towards the audience.

On the cover of Red anchorage has been used between Uma Thurman and the main cover line. The main cover line is about the model Uma recently splitting up with her husband 'Uma finding new love after Ethan.' This cover line has been recognised to be the main cover line on the cover as 'Uma' is written in a serif font which stands out on the cover. This is because the other cover lines are a basic sans serif font which makes the main cover line about Uma stand out. By linking the image of the celebrity on the cover to the main cover line the readers of this magazine can relate to her story even though she's a celebrity as this could happen to anybody, as well as her story being used for publicity of the magazine.

The cover lines in this magazine mainly cover women's health, beauty and home. This shows the magazine is aimed at a more feminine audience as it is more appealing to women. We know that the magazine covers these topics as there is a footer at the bottom listing the themes of the magazine which are Fashion, Shopping, Beauty, Health, Home.' By doing this the audience get to see what will be in the magazine which could attract the right audience as sophisticated women may want to keep themselves within these themes. For example getting tips to stay health, getting tips how to 'wake up your make up' which could attract women of an upper class. The cover line 'spring clean your finances' shows the women they can be independent and they help the women to become independent by giving them tips with their finances so they don't have to rely on a partner etc. This also shows the women reading the magazine to be independent and organised as they want to sort their finances. 'Fashions hottest looks' is another cover line which is large and stands out a lot as its bright pink and large. This could stand out to Red's target audience as Red say 'who are active purchasers of quality goods' meaning they want their audience to buy good quality products. By aiming 'fashions hottest looks' in the magazine could attract a sophisticated women who likes to buy good quality products and likes to keep up with the new trends which the magazine brings to them.
