Short A Vowel Packet

Read and Color

Read the words and color the short A words list.

Day Four Lesson Plans:

Objective: Students will be able to identify, apply, grade-level phonics skills to identify the short a sound from auditory and visual cues and read words that contain the short a sound.

Materials: Pencils, paper, and any materials you need to complete these activities.

Whole Class: Go over the Read, Find, and Color from yesterday and practice the answers to improve fluency. Let students pair up and check their own work together. Students can take turns reading a sentence and sharing the words they highlighted/circled. Ask them what clues helped them identify the short A words. After you are done, send them off to their independent work.

Independent Work: Today's activity is writing. Challenge students to use as many short A words as possible in a passage. Display the cards to help them.

Short Vowel Lesson Plans For Second Grade:

How to Plan Differentiated Reading Instruction, Second Edition Sharon Walpole, Michael C. McKenna, 2017-07-04 Tens of thousands of K 3 teachers have relied on this book now revised and expanded with more than 50% new material to plan and deliver effective literacy instruction tailored to each student's needs. The authors provide a detailed framework for implementing differentiated small group instruction over multiweek cycles. Each component of the beginning reading program is addressed: phonological awareness, word recognition, fluency, vocabulary, and comprehension. In a large size format with lay flat binding for easy photocopying, the book includes dozens of reproducible lesson plans, instructional activities, assessment forms, and other tools. Purchasers get access to a Web page where they can download and print the reproducible materials. New to This Edition: Differentiation 2.0: the approach has been fine-tuned based on field testing, new research findings, and current standards and response to intervention frameworks. Many additional reproducible tools such as coaching templates and the Informal Decoding Inventory. Beyond lesson plans and materials, the second edition offers more guidance for designing instruction and grouping students, making it a one-stop resource. Reproducible tools now available to download and print.

Daily Lesson Plans Walter Lowrie Hervey, 1915 **Diagnosis and Correction of Reading Problems, Second Edition** Darrell Morris, 2013-10-02 This widely adopted text and teacher resource provides a comprehensive approach to assessing and remediating reading difficulties in grades K-6. Darrell Morris presents rich case studies of beginning and older readers struggling with different types of reading problems. He shows how to administer a thorough diagnostic battery and provide instruction tailored to each student's needs. In addition to one-to-one tutoring strategies, small group and whole class applications are discussed. Reproducible tools, book lists, and other user-friendly materials can be photocopied from the book or downloaded and printed in a convenient 8 1/2 x 11 size. New to This Edition: Detailed explanations of how to adapt the techniques for classroom use. The latest research findings pertaining to reading diagnosis. Updated and expanded book lists. Chapter on historical and theoretical foundations. See also the Morris Informal Reading Inventory: Preprimer through Grade 8, a complementary assessment tool that yields systematic data on K-8 students' reading abilities.
