*50 MINUTES SHORTCUTS TO ONLINE BUSINESS SUCCESS* Norman Thekiso, 2017-11-14 Dear online marketer there comes a time in every online marketer's life when things just go click and let me tell you from my seven years experience it happens very very quickly mostly when you're not expecting it frustration delay late nights disappointment gone all gone just like that how on earth do you reach that stage though well before I show you that I just want to point out a few things the magic moment has drawbacks nothing is ever that easy as every one of us knows all the usual stuff people don't want to hear to get there it takes time and it takes money two things that personally I'd rather keep than spend on mindless guesswork which is what most marketers are doing right now the thing about this moment though is that there isn't just one one of them in fact there's several and they all appear one after the other for some it takes a month for some a year and for some I know it's been seven years and they are still trying one of them massage me on and a few weeks back and say and I quote exactly here sign and my new site failed again bar! he said and I visit I spend loads setting it up too any advice for an old buddy I told I have about fifty little pieces of advice and suggestion but I do have to write you a book about it followed by a little smiley sticking its tongue out alright that I wasn't expecting Ah I needed a new project anyway so off I go I went ahead and wrote it when I finished it I needed a test he was the perfect subject he agreed to this I didn't test on him without his knowledge and from what he told me it went down rather well I love to repeat what may he said while feeling the excitement of his major sales but that may offend some of more sensitive naturally visitors so intend why not take a look at what was in it for yourself Be A Shortcut Scott G. Halford, 2008-12-22 Shortcut is the new catchphrase that identifies high quality influence and value in employees and executives Be A Shortcut is a business book that provides new frameworks and tactics to help a broad range of individuals become the professionals their company can't live without The book shows you how to actually become a Shortcut using Halford's proven Shortcut success formula You'll gain more influence become more valuable get promoted faster find better customers get better raises no matter what you do Shortcut is a way of thinking a way of doing a way of being and when you commit yourself to it you'll write your own ticket to wherever you want to go

*20 Simple Shortcuts to Small Business Success* Kelly Exeter, 2016-10-07 I was expecting a dry business book and was surprised and so excited that it wasn t all business but health and wellness too almost a life hack

book as well as a business book Virginia Johnson I just wanted to thank you for writing the book I needed to read To be completely honest I didn't intend to read it all the way through but it was so well written logical and full of great advice that I read it in one sitting I love that you've provided real actionable strategies that I can use to help myself Kirsty Russell WHAT DOES A SUCCESSFUL SMALL BUSINESS LOOK LIKE After 10 years in business Kelly Exeter came to this conclusion It's one that's both profitable and also set up so the business owners have the emotional resilience to surmount all the challenges thrown their way Over the years she signed up for hundreds of courses and downloaded countless free e-books and resources Not one of them made her business more resilient or successful None of them made her business life easier Eventually she realised the only reason she was signing up for all those things was because she was looking for a magic bullet Something that didn't exist What did exist however were shortcuts Faster pathways to achieving the success she craved It took 10 years and thousands of dollars for Kelly to figure out the shortcuts she shares in this book Hopefully you'll benefit from them much earlier in your business journey

**How to Fail at Change Management** James Marion, John Lewis, 2020-03-25 This book presents notable examples of attempts by experienced managers to implement bad ideas that lead to failed change so that change managers are better equipped to avoid common pitfalls in managing change Change management efforts often fail Business case studies are littered with examples of failed change management efforts Why this is so is a mystery given the many change management models in existence highly paid executives equipped with degrees from top tier schools and the millions of dollars spent in pursuit of change Successful change management need not be a mystery but perhaps change management success is best learned from failed attempts at change that seemed reasonable at the time according to theory but proved to be bad ideas in retrospect This book presents notable examples of attempts by experienced managers to implement bad ideas that lead to failed change so that change managers are better equipped to avoid common pitfalls in managing change
