are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today s culture the vast majority of Christians are perceived as angry judgmental people who don t seem to derive any joy from life whatsoever So why aren t we happy Unfortunately many Christians are taught early on that God doesn t want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn t mean we can t

also experience joy and happiness here on earth In Happiness noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere **Hot Chocolate for the Mystical Soul** Arielle Ford,1998-02-01 Like a box of supernatural bonbons once you start it s hard to stop Booklist This enchanting book is perfect for those who love magic and mystery and who know that an unseen loving presence is watching over us This is an inspiring collection of mystical experiences involving angels miracles near death experiences divine interventions animal experiences personal transformations and miraculous healings The storytellers come from all walks of life doctors lawyers actors musicians mailmen teachers and others and include familiar figures such as Neal Donald Walsch Judith Orloff M D and Joan Borysenko With such a wonderful variety of enlightening stories every reader will find many that will touch them personally **Searching for Mary** Mark Garvey,1998
