

Students Should Wear School Uniforms

2 pages | 273 words

Today's schools present many problems for students to focus on their education and make it more difficult for students to learn. Schools can help remove the problems that arise and distract students from the main focus of the school, their education. There are many reasons why students should wear uniforms in high schools. First of all, students should wear uniforms in high schools because it will help prevent bullying. Most of the students are bullied by their peers and they are hit and teased. The main cause of bullying is generated by social class. We live in a society where by our way of dressing classifies us if we are poor or have money. However, the uniforms worn by students allow them to look the same all at their school without social rank and without having to judge by their physical appearance or clothing brands. Additionally, students should wear uniforms in high schools because will produce a more positive school environment. Wearing school uniforms at school increases concentration and improves student education. Uniforms help to focus students on different school assignments, participate in school activities, and to hold themselves accountable. It also creates a structure for a student to continue with his/her motivation in what he/she needs to learn. Also, the use of a school uniform gives the student the identification of the school he attends with pride, leadership and an enterprising spirit. Some people might argue that students should not wear school uniforms because takes away the freedom of expression. However, many people agree that students should wear uniforms in high schools which can also help them lose excessive individualism.
