Additionally, students should wear uniforms in high schools because will produce a more positive school environment. Wearing school uniforms at school increases concentration and improves student education. Uniforms help to focus students on different school assignments, participate in school activities, and to hold themselves accountable. It also creates a structure for a student to continue with his/her motivation in what he/she needs to learn. Also, the use of a school uniform gives the student the identification of the school he attends with pride, leadership and an enterprising spirit.
