Rain on Someone's Parade (english version) Asahina Sakura,2025-03-30 After being isolated for nearly 13 years Arisha Fontaine has always longed for one thing freedom When she finally decides to sneak out escaping the palace in search of a new life and to avoid an unwanted marriage she crosses paths with River a man with silver blond hair cold gray eyes and a smile that always seems like a mockery There is something off about him something she should stay away from But the farther she tries to run the deeper she finds herself trapped in the darkness something River has created just for the two of them **Waldo (English Version)** Klaus D. Wagner,2015-12-17 Charlemagne s Christianisation of the pagans in the Dark Ages of Medieval Europe was brutal enough It could have been far worse without Waldo a more considered Christian by his side Who was Waldo I hear you ask An original document written in Latin on sheepskin in the early middle ages verifies the donation of a Christian church by a certain Waldo in Seeburg a small village in Southern Germany No further historic records

of this mysterious Waldo existed I spent two years of intense research to unravel his alleged identity I concluded that Waldo and Charlemagne the mighty Carolus Magnus were like the priest and the soldier who shared a lifelong bond forged in childhood They saw themselves as Christianity s cross and sword put on earth by God to build and defend Christendom in medieval Europe Both men differed in their approach to converting the pagans Charlemagne the soldier believed in a swift decision and the beheading by sword of the unwilling My god is your god My will be done Waldo the priest believed in a more gentle missionary way bringing salvation with bread wine and fear of the unknown and the promise of a better life in heaven Jesus died for us on the cross for our redemption Thy kingdom come Amen They also shared a terrible secret known only to themselves and God It is a secret that history failed to uncover in the last 1250 years Those who read this book with an open mind will hopefully care more about the authenticity of their spiritual experience than the historical authenticity of every chronicled aspect in this novel
