The Grain-Free, Sugar-Free, Dairy-Free Family Cookbook Leah Webb, 2019 Including One Month of Kid Friendly Meal Plans and Detailed Shopping Lists to Make Life Easier As the rate of chronic illness skyrockets more and more parents are faced with the sobering reality of restrictive diets And because everyone is busy many families come to rely on store bought healthy products to make life simpler but many of these are loaded with sugar and hidden toxins When faced with her own family health crisis mother and health coach Leah Webb realized that in order to consistently provide high quality food for her family nearly 100 percent of their meals would need to be homemade But when she looked for a resource to guide her most cookbooks that offered recipes free of allergenic foods were also high in processed starches flours and sugar Webb like so many parents was looking for a cookbook that offered deeply nutritious kid friendly whole foods recipes that were also easy but there wasn t one so she wrote it herself The Grain Free Sugar Free Dairy Free Family Cookbook offers a new system to preparing food and approaching the kitchen that gets kids involved in cooking which encourages excitement around food a major challenge with restrictive diets The recipes are rich in healthy fats nutrient dense vegetables ferments and grass fed meats and include snacks school lunches and delicious sweet treats that rival the flavors of sugar dense desserts By following Leah s meal plans parents will be sure to please everyone in the family and make cooking on a restrictive diet enjoyable and doable over a long period of time Families that know they would like to

rid themselves of grain sugar and dairy but are intimidated by starting will find Webb's advice and troubleshooting invaluable. The cookbook outlines family tested methods that make for effective and efficient preparation including everyday basic recipes that will become part of a cook's intuitive process over time. The best part is that although Leah prepares nearly every single one of her family's breakfasts lunches dinners and snacks using whole food ingredients she only spends four to six hours on food preparation per week. Through stocking her freezer prepping the kitchen shopping and cooking in bulk and consistently planning meals this diet plan is not only possible it is manageable and fulfilling. Prepare for this cookbook to radically change your life. *The Healthy Former Athlete* Lauren Link, 2018-11-06. They say athletes suffer two deaths: the one at the end of their lives and the one at the end of their collegiate or professional sports lives. For an athlete to go from an athletic career to retirement can be a difficult transition. Luckily Lauren Link, RD, CSSD, has already dealt with this life change and with *The Healthy Post College Athlete* any former athlete can learn how to go from the discipline of weightlifting sessions and conditioning for a game or race to maintaining a healthy lifestyle without those familiar goals. The book is targeted at those who are juggling a switch away from the intense competitive and routine oriented life of an athlete and shows how to apply the lessons learned from that time to life as a normal human. Also included in the book are excerpts from Link's own blog that she started to document her transition from her collegiate athletic lifestyle along with lists and case studies to help contextualize the challenge in leaving the focus and discipline of an athletic life. Link covers such ground as: Modifying your diet based on normal human calorie expenditure with meal planning and grocery shopping; Designing a routine and workout to stay fit and healthy; Easy to prepare recipes that will help facilitate a healthy lifestyle; Forming an identity outside of your sport. Whether you're a professional athlete or just a person trying to be healthier, this book will show you a path to living a better and healthier life. With a humorous and self-effacing tone, Link will show you how to transition in *The Healthy Post College Athlete*. My experience working with Skyhorse is always a positive collaboration. The editors are first rate professionals and my books receive top shelf treatment. I truly appreciate our working relationship and hope it continues for years to come.
