Shredding the Shame Kelli Benis, 2014-07-21 A healing snapshot of one Victor's journey to releasing the shame of childhood sexual abuse. Uniquely Me Anisa Blake, 2015-10-28 This is a riveting true story about life in a polygamist group that goes against everything the author feels to be true. Finally having the courage to break free, the author makes another choice that leads her on a path of turmoil, despair, and upheaval. This choice creates a never-ending roller coaster ride which aids in clarity and a new beginning for a much better and brighter future. Having learned from her past choices, the author now consults her inner being, her highest self, before making any decisions. With complete trust and expectation of all great things, the author has broken free of the chains that bound her to a life of mediocrity and now lives a life of peace, joy, wisdom, and love. With a clear mind and clear heart, the author steps into her power, letting go of fear and moving toward a knowing that all is well.

Stories of Supernatural Healing Sid Roth, Linda Josef, 2010-12-01 Stories of Supernatural Healing is a multi-faceted account of God's supernatural dealings with people as seen through the eyes of eleven named ministers. While healing is the topic most often discussed, worship and intimacy with God are at the heart of each testimony and message. In every case, an example of relationship with God is presented in such a way as to inspire hope, strengthen faith, and illustrate the Father's desire to heal and restore. Each testimony is unique, specific, and thought-provoking, opening the door for readers from all walks of life to appropriate a deeper relationship with God. **The Healing Haven** Pearce, 2023-05-03 The Healing is a compelling story about a woman's journey of forgiveness to rectify her past using mindful reflections of her dysfunctional upbringing. Through storytelling and compassionate dissection of an eccentric cast of characters overwhelmed with their own demons, she guides us through her transformation to heal mind, body, and spirit. **Wounded Children, Healing Homes** Jayne Schooler, Betsy Keefer Smalley, Timothy Callahan, 2014-02-27 Why doesn't our child return our love? What are we failing to understand? What are we failing to do? These questions can fill the minds of adoptive parents caring for wounded, traumatized children. Families often enter into this experience with high expectations for their child and for themselves but are broadsided by shattered assumptions. This book addresses the reality of those unmet expectations and offers validation and solutions for the challenges of parenting deeply traumatized and emotionally disturbed children. **Healing the Ravaged Soul** Sue Magrath, 2017-01-26 Why does God hate me? How can I believe in a God who has allowed my suffering? These are just two of the difficult spiritual questions that survivors of child sexual abuse struggle with. In addition, survivors often have mixed feelings about the church because of perceived judgment and indifference, their own shame, or their discomfort with certain aspects of worship. Of the many after-effects of sexual abuse, spiritual wounds are the least talked about yet they are

central to adult survivors who seek to heal and find faith and meaning in their lives With grace and gentleness this book seeks to answer survivors spiritual questions and address some of the common misconceptions that often develop when young victims attempt to understand what has happened to them Healing the Ravaged Soul explores the origins of their spiritual issues with clear psychological insights and guides survivors on a spiritual journey toward healing wholeness and a deeper relationship with God
