Berry Brazelton,Joshua D. Sparrow,2009-04-29 The teasing squabbling competition and ferocious fights of brothers and sisters can drive any parent to frantic desperation At the same time Drs Brazelton and Sparrow point out siblings are learning from one another and deep close relationships are forming that will last a lifetime In this absolutely indispensable addition to the Brazelton Way series the authors show how parents can defuse much of the bickering while helping to strengthen warm relationships They help parents understand the universal Touchpoints of sibling rivalry at each age as well as the problems in particular family situations From the combined delight and resentment that a sibling feels toward a new baby to birth order blended families sex play scapegoats meltdowns and competition in school parents will find welcome advice in this wise comforting book **Darcy Is Always First** Lauren Whitman,2024-09-09 Denny Duck gets angry and frustrated that his sister Darcy insists on always being first and the siblings must learn to get along when their rivalry almost ends in disaster *Fairy Tales from the Brothers Grimm* ,2013-10-29 National Bestseller The acclaimed retelling of the world's best loved fairy tales by the 1 New York Times bestselling author of The Golden Compass and The Book of Dust now in paperback and with 3 new tales Two centuries ago Jacob and Wilhelm Grimm published their first volume of fairy tales Since then such stories as Cinderella Snow White Rapunzel and Hansel and Gretel have become deeply woven into the Western imagination Now Philip Pullman the New York Times bestselling author of the His Dark Materials trilogy makes us fall in love all over again with the immortal tales of the Brothers Grimm Here are Pullman's fifty favorites a wide ranging selection that includes the most popular stories as well as lesser known treasures like The Three Snake Leaves Godfather Death and The Girl with No Hands alongside his personal commentaries on each story's sources variations and everlasting appeal Suffused with romance and villainy danger and wit Pullman's beguiling retellings will cast a spell on readers of all ages For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world

With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *The IVP Women's Bible Commentary* Catherine Clark Kroeger, Mary J. Evans, 2002 This commentary edited by Catherine Clark Kroeger and Mary Evans is an attempt to answer the question What happens when we look at Scripture through women's eyes New and helpful insights from an international team of scholars show how Scripture is relevant to women and men alike making it a wonderful complement to other commentaries Brothers and Sisters Salman Akhtar, Selma Kramer, 1999-04-01 Sibling relationships and rivalry are as old as recorded history This analysis explores that ambivalence between siblings casts its shadow throughout people's lifetimes and affects their choices of mates relationships with their own children and aversions to others **Stages of Struggle** John Louis DiGaetani, 2015-01-27 One way or another all playwrights use their work to explore the issues that interest them The characters in a play may trumpet their creator's political views from the stage or an unusual structure or set design may result from the playwright's interest in theatrical form It is also common particularly in the plays of the 20th and 21st century to see a playwright delving into psychological issues raised by his own mental struggles or those of people he loves Luigi Pirandello tormented by the schizophrenia of his wife and other family members repeatedly explored the problems caused by different visions of reality Noel Coward's self-obsessed characters reflect his own narcissism Alcoholism is a recurrent theme in the works of many playwrights including Eugene O'Neill Edward Albee and Brian Friel Through their exploration of these issues and more the great writers of the theater have turned suffering into art This book looks at the work of 20 playwrights to see how their examination of the disturbed mind has influenced the modern theater Wong's Nursing Care of Infants and Children Multimedia Enhanced Version Marilyn J. Hockenberry, David Wilson, 2013-10-17 A most trusted authority in pediatric nursing this book provides unmatched comprehensive coverage of pediatric growth development and conditions Its unique age and stage approach covers child development and health promotion as well as specific health problems organized by age groups and body systems

**Disorderly Sisters** Leila Silvana May, 2001 Historians and literary critics have long understood the crucial significance of the family to the nineteenth century middle class sensibility but almost all critical analyses to date have concentrated on the vertical pole of the familial axis the parent-child relationship and very little on the horizontal pole the sibling bond This book looks beyond these analyses to show that at the core of nineteenth century domestic ideology is the figure of the sister **BOOK JACKET** **Sibling Rivalry Scenes** Xena Mindhurst, AI, 2025-01-09 Sibling Rivalry Scenes offers a groundbreaking exploration of family dynamics through the lens of sibling relationships drawing from three decades of research and 500 family case studies The book unveils how early childhood interactions between siblings can predict family resilience and emotional development challenging traditional understanding of family psychology Through a combination of longitudinal

studies and diverse cultural contexts it demonstrates how subtle sibling dynamics often forecast major family changes years before they become apparent The work progresses systematically through four key sections beginning with fundamental interaction patterns and moving through trigger events family response mechanisms and practical intervention strategies What sets this book apart is its unique focus on subtle everyday interactions rather than obvious conflicts supported by a rich blend of quantitative assessments and qualitative interviews The research spans from the 1990s to present day incorporating recent findings in neuroscience and behavioral economics to provide a comprehensive understanding of sibling dynamics Balancing academic rigor with accessibility the book presents three core themes early childhood dynamics impact on adult sibling relationships parental influence on rivalry formation the long term effects of unresolved conflicts For both professionals and general readers seeking to understand family relationships the book provides practical tools and evidence based strategies while acknowledging cultural variations and socioeconomic contexts This comprehensive approach makes it an invaluable resource for family therapists parents and anyone interested in improving family dynamics
