book he plans to keep hidden from his kids under after his death It s not all blood splatter and fornication however I mean sure there s a lot of those things more the latter maybe There s human struggle self doubt painful choices and love Yeah Love Because if you the reader doesn t feel for the characters if they don t resonate with you in some way well then where s the fun in torturing them Ken MacGregor pulls you into the stories and once you give a damn that s when he starts doing horrible things to the people in them So if you think you ve got the guts and you don t mind losing some sleep go ahead Read the book But please if you know Ken s mom don t tell her it exists okay     *Maniacs with Knives* Shaun Hupp,2018-04-09 To a regular person they re just tools A chef uses them to prepare a meal A surgeon uses them to save lives To the maniacs in this story however Theirs is a much darker purpose For them the first cut is NOT the deepest It s just the beginning This is Book 1 in the Maniacs with Knives Series This story is from Shaun Hupp s Unapologetic Horror Line The author is NOT sorry this book contains Gore violence dismemberment rape swearing and a dozen other things you wouldn t want your grandmother to talk about at her Sunday church group If you re a sensitive reader this book is probably NOT for you     *Sixty-Five Stirrup Iron Road* Brian Keene,Jack Ketchum,Edward Lee,2013 What starts like a haunted house novel as written by the Marquis de Sade develops into a meta deconstruction of hardcore horror and why we love sex and violence There is something seriously wrong with the house at Sixty Five Stirrup Iron Road Its history is awash with sadistic violence and fiendish sex For generations the house has corrupted its inhabitants Now Arrianne and Chuck have moved in and the house is ready to hunt once more But this time the house s occupants won t be the only targets No one is safe not the reader not the authors and not the horror genre itself Nine of the biggest names in horror fiction collaborate on a gore and sex soaked novel with all proceeds benefiting modern master of crime and terror Tom Piccirilli     **Slasher** Sol Samuels,2015-10-27 Sol Samuels returns to his roots with a true gore horror classic When Sol Samuels started he s dream was to write a horror novel and here it is WARNING THIS NOVEL IS MOST DEFINITELY FOR ADULTS ONLY     **Sick** Nelson Samuels,2021-05-18 WARNING EXTREME VIOLENCE LANGUAGE AND SEXUAL CONTENT Extreme Violence Sex and Gore What more could a horror fan ask for Author s Note This work is very rough around the edges It was written many years ago before the author grasped the most important aspects of creative writing structure It doesn t follow the traditional set of narrative rules taught in most university creative writing programs The work serves as the author s reminder of how he began his writing career and how little he actually knew It may have been and still is sloppy but it was the start It s a time capsule of insanity A window into the once tortured soul of someone diagnosed with borderline personality disorder It is vile and reprehensible but also honest Many of the images and situations serve as metaphors and are symbolic of a lifetime of emotional suffering The creation of this work was a journey into the darkest regions of the soul Ultimately healing of the mind body and soul was achieved If you are easily triggered and offended please stay as far away from this work as humanly possible This anthology was NOT created to glorify or celebrate the extreme situations presented It was originally a therapeutic tool utilized by the author as

suggested by mental health professionals You ve been warned     The Country Club Tim Miller,2016-08-13 Urban legends about secretive Country Clubs have existed for years At these clubs the wealthy and powerful pay for the privilege to brutalize and torture less fortunate people for their own amusement Several years ago a blogger and her friends stumbled upon one such club and took it down However there isn t one club but an entire network of them In Ladies Night we see a special club run by women These powerful ladies use everything at their disposal to enjoy their secret club Men are not admitted to this club they are served as entertainment or dinner
