**Vietnam Rough Riders** Frank McAdams, 2013-03-12 Black smoke drifted about the scene The first thing I noticed was the huge crater yawning next to the damaged truck In the Vietnam War American rough riders drove trucks through hostile territory delivering supplies equipment ammunition weapons fuel and reinforcements to troops fighting on the war's ever shifting front lines But all too often the convoys themselves became the front lines Frank McAdams a Marine Corps lieutenant learned that the hard way during a tour of duty that began right after the 1968 Tet Offensive and the siege at Khe Sanh In this compelling memoir he recounts his personal battles not only with a dangerous enemy but also with an incompetent superior and a sometimes indifferent military bureaucracy A decidedly different take on the Vietnam experience his chronicle focuses on the ambush prone truck convoys that snaked their way through dangerous terrain in narrow mountain passes and overgrown jungles When an ambush occurred strong leadership and quick thinking were required of officers like McAdams to protect both the convoy's mission and the lives of its men McAdams describes convoys he led through hot zones like the notorious Ambush Alley stretching from Danang through Hai Van Pass to Phu Bai in the north and the provincial area in the south known as the Arizona that surrounded the villages of Phu Loc and An Hoa He also highlights the fierce three day firefight that ensnared him and his men near the Song Cau Du

River at Hoa Vang and provides a particularly gripping account of the fighting at Thuong Duc McAdams deals frankly with his fraught dealings with a commanding officer whose ineptness and treatment of his troops made the CO fear for his own life And he writes movingly of his wife s love and encouragement in the face of an emotionally tough separation and also of his difficulty in re engaging with life stateside Fast paced and compulsively readable his book offers an insightful look at a largely neglected aspect of the Vietnam War while reminding us of how frequently the crucible of war reveals one s true character      Ballroom Blitz Lorelei James,2017-04-15 She s got the rhythm but he s got all the right moves After years on the road rock drummer Jon White Feather is home from tour to reassess his music career When his shy niece begs him to take a ballroom dancing class Jon agrees aware he s not Fred Astaire material Still it stings when his sexy hot instructor who makes his heart do the cha cha deals his ego a low blow he has no rhythm Maggie Buchanan is doing everything to make ends meet since her IT career fizzled including teaching couples dancing at the community center She s prepared for anything except her immediate attraction to the bad boy rocker who doesn t know his right foot from his left As Jon sets out to prove he can rock his body and hers their sexual chemistry burns a path across the dance floor straight to the bedroom And Maggie wasn t expecting a man with limited dance skills would know exactly how to sweep her off her feet      *Lost In You* Lorelei James,2014-12-06 Animal attraction takes on a whole new meaning Lacy Buchanan sets out to prove she s a tough cookie by swapping the mean streets of Manhattan for the Bighorn Mountains in Wyoming for a week long survivalist hiking trip The last thing she needed was to get lost forcing her to spend the hike alone with surly too sexy mountain man Becker who blames her for their predicament After Becker saves her from a rattlesnake and calms her fears Lacy has a change of heart and feels lucky to be in his experienced hands But Sam Becker isn t really a hiking expert he s strictly the moneyman in Back To Nature Guided Hiking Tours and a last minute temporary fill in guide He can t believe his bad luck when his lag behind charge a mouthy but hot blonde bombshell pulverizes their only compass destroying their chances of following the coordinates to base camp Yet something about Lacy makes him want uphold her ideal image that he s her rugged hero and a man she can count on As Sam and Lacy attempt to find a way out of the treacherous mountain passes their natural instincts take them farther away from civilized behavior and straight into the mating calls of the wild previously published as Babe in the Woods 2006 now with a new epilogue      1001 Dark Nights: Bundle Six Jennifer L.
