The Works of Jack London: Novels, Short Stories, Poems, Plays, Memoirs & Essays Jack London, 2023-12-22 The Works of Jack London Novels Short Stories Poems Plays Memoirs Essays is a comprehensive anthology that encapsulates the multifaceted literary contributions of one of America's most iconic writers. Featuring a rich tapestry of narratives that span adventure, social critique, and existential exploration, this collection showcases London's trademark blend of realism and romanticism. With a keen eye for the natural world and the struggles of the human spirit, London's prose is characterized by vivid imagery and robust dialogue reflecting the tumultuous backdrop of early 20th-century America, a time marked by social upheaval, industrialization, and a burgeoning interest in socialism. Jack London, born in 1876, emerged from a challenging upbringing to become a voice of the working class and the wilderness. His experiences as a gold prospector, sailor, and social activist profoundly shaped his worldview and literary output. Against The Age (Routledge Revivals) Peter Faulkner, 2013-08-16

Students new to the work of William Morris will find the full range of his achievements covered in this reissue of Peter Faulkner's excellent biography first published in 1980. The author has carefully placed Morris in the context of the Victorian age but has also suggested the relevance of his ideas today. The six chapters are organised biographically and cover all aspects of Morris's work in poetry, fiction, design, and socialist politics. The emphasis is on his continuous struggle against the age in which he lived, seen as an idealism which went through various stages from the wistfulness of *The Earthly Paradise* through the practical activities of the firm of Morris Company to the socialism of Morris's later years. The book quotes freely from writings by Morris which are not easily accessible and gives an overall account from which the student can develop his specialist interests. This reissue will appeal to sixth formers and undergraduates interested in the Victorian period as seen through one of its most striking personalities. When this book appeared in 1980, Morris's reputation had risen again after the low estimates of the interwar period. This was due both to the reappraisal of his politics and to the expanding popularity of his designs. *Against the Age* offers a clear account of Morris's career for those developing an interest in his numerous achievements. It covers the whole range of Morris's work and argues for his significance as a writer of both poetry and prose. Since 1980, our knowledge of Morris has been enriched by the publication of Norman Kelvin's edition of his *Collected Letters* by the late Nicholas Salmond, his contributions to the socialist journals by Fiona MacCarthy's biography of 1984, and by the increasing recognition of Morris as a pioneer of environmentalism. However, the book retains its value for its wide coverage and its balanced attitude to Morris's achievements and for its encouragement to readers to consider the issues that

make Morris of continuing importance today **JACK LONDON Ultimate Collection: 250+ Works in One Volume: Novels, Short Stories, Plays, Poetry, Memoirs, Essays & Articles (Illustrated)** Jack London, 2017-04-03 This carefully crafted ebook collection is formatted for your eReader with a functional and detailed table of contents Jack London 1876 1916 was an American novelist journalist and social activist His amazing life experience also includes being an oyster pirate railroad hobo gold prospector sailor war correspondent and much more He wrote adventure novels sea tales stories of the Gold Rush tales of the South Pacific and the San Francisco Bay area most of which were based on or inspired by his own life experiences Content The Cruise of the Dazzler A Daughter of the Snows The Call of the Wild The Kempton Wace Letters The Sea Wolf The Game White Fang Before Adam The Iron Heel Martin Eden Burning Daylight Adventure The Scarlet Plague A Son of the Sun The Abysmal Brute The Valley of the Moon The Mutiny of the Elsinore The Star Rover The Little Lady of the Big House Jerry of the Islands Michael Brother of Jerry Hearts of Three Son of the Wolf The God of His Fathers Children of the Frost The Faith of Men Tales of the Fish Patrol Moon Face Love of Life Lost Face South Sea Tales When God Laughs The House of Pride Other Tales of Hawaii Smoke Bellew The Night Born The Strength of the Strong The Turtles of Tasman The Human Drift The Red One On the Makaloa Mat Dutch Courage Uncollected Stories The Road The Cruise of the Snark John Barleycorn The People of the Abyss Theft Daughters of the Rich The Acorn Planter A Wicked Woman The Birth Mark The First Poet Scorn of Woman Revolution and Other Essays The War of the Classes What Socialism Is What Communities Lose by the Competitive System Through The Rapids on the Way to the Klondike From Dawson to the Sea Our Adventures in Tampico With Funston s Men The Joy of Small Boat Sailing Husky Wolf Dog of the North The Impossibility of War The Red Game of War Mexico s Army and Ours The Trouble Makers of Mexico Phenomena of Literary Evolution Editorial Crimes A Protest Against the Literary Aspirant *The Works of Jonathan Swift ... containing additional Letters, Tracts, and Poems, not hitherto published; with notes, and a life of the author, by Walter Scott, Esq* Jonathan Swift, 1824 **Lifelines** Carla A.
