

Stimulus 2 (Creative Writing Task)

Stimulus: "I couldn't see what was in the box, but I knew that it was important."

The birds were chanting their chorus, with the sun glistening over the surface of the beach. I stood there for an immeasurable amount of time, admiring nature's true beauty. It was the usual day in Sunfire Valley, every morning I woke up, feeling a new sense of beauty that nature had to offer. With my eyes wide open, I stared intensely at the waves, graciously carrying irregular pieces of sand. Taking off my shoes, I began to walk towards the edge of the water, instantly, the damp sand began to create a mould around my feet. My footprints followed me across the sand as I make my way to the shore. I could feel myself sinking into the depths of the sand.

Hours went by, the sky swallowed the sun as evening fell. Sitting on the beach, felt like I was millions of kilometres away from home, I could stay here all day. As time went by, the sea became more and more silent, the white pebbles that covered the sand resembled prehistoric eggs. A cool wind swept passed my cheeks, as I opened my mouth to take a breath, the scent of seawater tickled my nose and I could taste the saltiness of ocean. There was a multitude of sandcastles, which was dissolved by the waves leaving no sign of the children's effort. The beach was deserted, dark and silent. The water is turquoise where its shallow, and dark blue where its deep.

Putting on my shoes, I travel back the way I entered the beach. The further I walked away from the beach, the farther I felt from home. I climbed up the wooden, spiral staircase staring back at the magnificent beach. The sun was setting on the horizon, creating the reflection of the orange sky that shined above.

Suddenly, I hear a loud-wailing sound that echoed throughout the street and pierces the silence of the night. I see the red and blue lights, flashing through the thick fog of

the night.

I see the red and blue lights, flashing through the thick fog of the night. I see the red and blue lights, flashing through the thick fog of the night. I see the red and blue lights, flashing through the thick fog of the night. I see the red and blue lights, flashing through the thick fog of the night.
