

Offering Service Prayer

We are grateful for the opportunity to offer service to the Buddha, Dharma and Sangha, and to sentient beings. While working with others, differences in ideas and ways of doing things may arise. These are natural and are a source of creative exchange; our minds don't need to make them into conflicts.

We will endeavour to listen deeply and communicate wisely and kindly as we work together for our common goal. By using our body and speech to support the values we deeply believe in - generosity, kindness, ethical conduct, love, and compassion - we will create great merit, which we dedicate for the awakening of all beings.
