The Publications of the Champlain Society ,1907 , Report on Canadian Archives and on the System of Keeping Public Records ,1906 Johann Michael Wansleben's Travels in Turkey, 1673-1676 Alastair Hamilton,Maurits Van den Boogert,2023-02-27 Johann Michael Wansleben s Travels in Turkey 1673 1676 is a hitherto unpublished version of a remarkable description of Istanbul Izmir and Bursa by the German scholar traveller Wansleben Wansleben was in the Ottoman Empire to buy manuscripts statuary and curios for the French king but it is his off hand observations about Ottoman society that often make Wansleben s account such a valuable historical source His experiences add to our knowledge of such diverse topics as prostitution in the Ottoman Empire taxation and the French consular system His visit to Bursa is also noteworthy because few Western travellers included the first Ottoman capital in their tours of the East or described it at such length Lafayette in the Age of the American Revolution—Selected Letters and Papers, 1776-1790 Le Marquis de Lafayette,2019-05-15 The second volume in this distinguished series provides a comprehensive picture of the Franco American alliance and of the day to day problems of conducting the War of Independence as reported by Lafayette and his correspondents on both sides of the Atlantic Volume II begins with Lafayette s reunion with the main army at Valley Forge in the spring of 1778 after an assignment to Albany It follows him on his return to France in January 1779 on leave from the American army and ends in the spring of 1780 when he was sent back to America to announce the coming of the French expeditionary force and to help formulate American plans for cooperation with the French forces Complementing Lafayette s personal memoirs which open the two parts of the book are exchanges of letters with such prominent figures as George Washington¹ Henry Laurens Benjamin Franklin the Comte d Estaing John Paul Jones and the Comte de Vergennes The documents and letters written in English are published as they appear in the manuscripts those written in French appear both in the original and in translation Much of the basic material for this series which will comprise six volumes is drawn from Lafayette s own collection of manuscripts A brilliant portrait of Lafayette in his own words the books reveal much more complex elements in his character and outlook than have been apparent before **French Manual of Grammar, Conversation, and Literature** Paul Baume,2023-03-20 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **A Phraseological Dictionary of Commercial Correspondence in the English, German, French & Spanish Languages** Charles Scholl,1884 *An Historical Journal of the Campaigns in North America* John Knox,1916 Les principes fondamentaux de la médecine chinoise, 3e édition Giovanni Maciocia,2018-03-06 Les principes fondamentaux de la m decine chinoise demeure l ouvrage de r frence incontournable pour la connaissance la pratique et les applications cliniques de la m decine chinoise dans les pays occidentaux V ritable bible l ouvrage couvre de fa on exhaustive les th ories la base de la m decine chinoise et
