Safety precautions

Read this user guide and the safety precautions carefully before use. Explain their contents and the potential hazards associated with using the telephone to your children.

Only use the mains unit supplied.

Only use the **approved, rechargeable battery pack**, never a conventional (non-rechargeable) battery pack, as this could result in significant health risks and personal injury. Batteries should not be disposed of in general household waste. Observe the local waste disposal regulations, which you can find out about by contacting your local authority or the dealer you purchased the product from.

The operation of medical appliances may be affected. Be aware of the technical conditions in your particular environment, e.g. doctor's surgery.

Do not hold the rear of the handset to your ear when it is ringing. Otherwise you risk serious and permanent damage to your hearing. The handset may cause an unpleasant humming noise in hearing aids.
