 - a. **20th century:** <http://www.oxfordjournals.org/>

There is a strong case for considering schools as structures that discriminate against the poorest and against those entitled to state-provided education. But discriminating and discriminating against are not the same thing. Discriminating against is a negative action, while discriminating against is a positive action. The school should also provide a good education to all the children who are entitled to it, and should not discriminate against the poor.
