The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness. Eileen Bowser, Museum of Modern Art Film Department, comments on previous volumes: "The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog." Thomas Cripps: "Endlessly absorbing as an excursion into cultural history and national memory." Arthur Schlesinger Jr.

The 1961-1970: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1997 Back in print after more than fifteen years, this American Film Institute Catalog covers the decade of the sixties. This was the era in which films began to challenge the taboos on sex and violence and treated social issues in a new light. Included in this volume are *The Wild Bunch*, *Bonnie and Clyde*, *Guess Who's Coming to Dinner*, and *Who's Afraid of Virginia Woolf*. Hell's Half-Acre Susan Jonusas, 2023-03-07 One of NPR's Books We Love. New York Times Book Review's "The Best True Crime of 2022." Rich in historical perspective and graced by novelistic touches, it grips the reader from first to last. *Wall Street Journal*: "A suspense-filled tale of murder on the American frontier, shedding new light on a family of serial killers in Kansas whose horrifying crimes gripped the attention of a nation still reeling from war. In 1873, the people of Labette County, Kansas, made a grisly discovery. Buried by a trailside cabin beneath an orchard of young apple trees were the remains of countless bodies. Below the cabin itself was a cellar stained with blood. The Benders, the family of four who once resided on the property, were nowhere to be found. The discovery sent the local community and national newspapers into a frenzy that continued for decades, sparking an epic manhunt for the Benders. The idea that a family of seemingly respectable homesteaders, one among the thousands relocating farther west in search of land and opportunity after the Civil War, were capable of operating a human slaughter pen appalled and fascinated the nation. But who the Benders really were, why they committed such a vicious killing spree, and whether justice ever caught up to them is a mystery that remains unsolved to this day. Set against the backdrop of postbellum America, *Hell's Half Acre* explores the environment capable of allowing such horrors to take place. Drawing on extensive original archival material, Susan Jonusas introduces us to a fascinating cast of

characters many of whom have been previously missing from the story Among them are the families of the victims the hapless detectives who lost the trail and the fugitives that helped the murderers escape Hell s Half Acre is a journey into the turbulent heart of nineteenth century America a place where modernity stalks across the landscape violently displacing existing populations and building new ones It is a world where folklore can quickly become fact and an entire family of criminals can slip through a community s fingers only to reappear in the most unexpected of places **Motion Picture Almanac** ,2007 **Federal Union World** ,1940 *Leonard Maltin's Movie and Video Guide 2004* Leonard Maltin,2003-09-30 The leading authority on American film is back with the latest edition of his indispensable Los Angeles Times and bestselling movie and video guide Leonard Maltin s Movie and Video Guide 2004 is the best biggest and most up to date of its kind The comprehensive 2004 guide includes Capsule reviews of more than 18 000 films including more than 300 new entries More than 13 000 listings of videocassettes and 8 000 DVD listings Write ups on every film series A revised index of leading actors and actresses Leonard Maltin s exclusive list of Fifty Films That Got Away Movies You Really Ought to See and much much more **Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965** Barry Monush,2003 Applause Books For decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos **International Television & Video Almanac** ,2007 *The Illustrated Guide to Film Directors* David Quinlan,1983-01-01 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com *The American Legion Weekly* ,1922 **Halliwell's Who's who in the Movies** Leslie Halliwell,2006 This best selling encyclopedia is the definitive Who s Who of cinema with everything you will ever need to know about major and behind the scenes players It s packed with biographical profiles of actors and actresses directors producers editors and other key figures Halliwell s Who s Who in the Movies also features filmographies entries on the major studios and the foreign film industry a history of the cinema and information on all the major film awards including a list of Oscar winners and nominations Opinionated witty and packed with more information than any other film guide it s as wonderfully unclassifiable as it is impossible to put down *American Agriculturist* ,1910 *The Retail Bookseller* ,1934
