What Color Is Your Parachute? Guide to Job-Hunting Online, Sixth Edition Mark Emery Bolles, Richard N. Bolles, 2011-05-17

Before you start your Internet job hunt, there are some things that you must know like:

- Why are job sites like Monster and CareerBuilder so stunningly ineffective?
- What can you do to make sure your resumes survive the elimination process?
- How do you find the information that search engines like Google can't?
- How can you tell the difference between a genuinely helpful job board and a website designed only to collect resumes?
- When are hobby forums more helpful than business networking sites?
- When is the Internet not helpful when job hunting?
- What is the fatal flaw of all social networking sites?

The Guide to Job Hunting Online, 6th Edition, not only answers these questions and many more, but shows you how to comprehensively and effectively use the Internet for all aspects of your job hunt. This companion to What Color Is Your Parachute, the best-selling job hunting book in the world, has been completely rewritten for our changing times and includes hundreds of updated website recommendations and descriptions. The Guide to Job Hunting Online shows you how to quickly find the data that will be most helpful to you, how to identify and research the places where you will most enjoy working, how to leverage the power of social networking sites, and how to use your Internet time most effectively, avoiding the common pitfalls and setting you up for success.
