**Mushroom Legal Defenses** William Brodovich, 2013 Psilocybin Mushroom Legal Defenses is a practical legal guide designed to help defense attorneys win acquittals in psilocybin mushroom cases It relies on two legal arguments first that there are no laws specifically prohibiting possession of psilocybin mushrooms in 46 of the 50 states second that the use of these mushrooms for spiritual purposes is an exercise of religion and therefore protected by the First Amendment The book includes a model opening statement and final argument and shows how to refute the material container argument that the prosecutor will use All the background information needed for a strong defense is provided Aside from the legal arguments the book contains a wealth of interesting information about psychedelics including the results of the most recent scientific studies *Listening to Ayahuasca* Rachel Harris, 2017-02-15 When National Geographic Adventure published an article in 2006 about the powerful antidepressant effects of ayahuasca the piece received a phenomenal reader response That article struck a chord with psychotherapist Rachel Harris who had encountered many clients unresponsive to traditional therapy and antidepressant protocols Used for more than 8 000 years in the Amazon rainforest ayahuasca is a powerful and illegal psychedelic that has distressing gastrointestinal side effects Yet Harris found many willing to try it so deep was their suffering Harris here shares her original research the largest study of ayahuasca use in North America into its effects on depression anxiety and PTSD along with her own personal experiences By detailing ayahuasca s risks and benefits she aims to help those driven to investigate ayahuasca to do so safely and to give their psychological caregivers a template for transformative caring and healing

*After the Trip* Krystle Cole, 2014-07-15 From the Introduction of After the Trip This book is unique as it intertwines the mundane and the mystical Through the practice of journaling I provide a narrative depiction of my daily life while discussing various topics related to personal growth Some of these topics include my thoughts on spirituality the psychedelic experience maintaining a high level of happiness achieving goals and living a fulfilling life In hopes of communicating authentically I share some of my most private thoughts on reality and our place in the cosmos My first psychedelic experience at only eighteen years of age had a profound effect on me So much so that I felt it was necessary to delve deeper into my consciousness through a succession of high dose trips Of course there were positive and negative consequences to this course of action My life was a roller coaster of blissful states of non duality and nightmares I now wish could be erased from my memory entirely When I was twenty three I decided to begin writing about these experiences and the events surrounding them in my book Lysergic Three years down the road I embarked upon the first edition of After the Trip as a follow up to Lysergic It s not necessary to have read Lysergic prior to reading this book However if you do you ll

likely have a better understanding of some of the subjects I discuss particularly those relating to the Pickard Skinner LSD bust In this second edition of After the Trip I continue my daily journal I share my perspective on reality as a thirty two year old to demonstrate how my worldview is developing directly as it occurs To my knowledge this is the only book in existence where such an endeavor is being attempted I hope you find what I ve learned and what I m in the process of learning to be helpful to you After all we re the same loving oneness at our deepest and innermost level There s no separation No you no me Just Being Well that s what I experienced anyway Krystle Cole July 2 2014 Wichita KS . . . **but to you I'll stay forever true!** Anselm Keussen,Gabriele Breucha,2025-02-18 but to you I ll stay forever true A Heart Therapy Blog Clarification and Disclaimer Please note that the following sentences as well as the other methods described in this book are all therapeutic tools Reading the text you can find out how to use them sensibly and safely These approaches are intended as a supplement to existing psychotherapeutic methods However they do not replace therapeutic training or medical or psychotherapeutic treatment or counseling Nevertheless the following sentences can bring about changes in your life Think carefully about whether you want to use them You do so on your own responsibility and at your own risk Any liability of the publisher or the authors is excluded You are still ready for it Then go ahead Here are the sentences Dearest Mom I know it s not new but to you I ll stay forever true And Dearest Dad I know it s not new but to you I ll stay forever true But who wants that now Explanation in the text **The Pegasus-Paradise** Gabriele Breucha,Anselm Keussen,2021-09-30 Do you remember When you heard about the Creation Myth of the Genesis in the Bible for the first time in your childhood Maybe you had some important questions back then about Eve and Adam and their sinful fall from paradise but they were hardly dealt with or even answered in the classroom And yet your questions remained Therefore you re now interested in a Genesis that perhaps fits our present and future times a little better Together with the young divine couple Thea and Theo plus their children this will bring you to the planet Aeon in the solar system named Pegasus where a completely different and innovative creation of the human species is just about to begin Following the apple s scent so to speak Another scene unfolds in the SYS X Y planetary system which certainly shows some parallels to our human history on Earth Following the story further you may gain a completely new perspective on the creation of Eve and Adam as well as of their children All this however is happening on the background of the threatening Universal Shockwave a dangerous inter galactic war of space faring civilizations which had been ignited by an ill minded super mutant His name is Oren the First Finally you can witness how Thea s and Theo s family teams up with their wise and powerful friends in the all out attempt to hold up this fire storm of myriads of burning worlds at the last moment But how can there be any working or even successful plan in the face of the staggering forces of the Ultra Empire at the command of the Dark Ruler And where will all those trials and tribulations lead Thea s and Theo s family A truly heart warming and inspiring novel A well versed editor Power to the Aspies Becca Kline,2013-05-03 Power to the Aspies is exactly that the blow by blow fight against autism bringing her child from total despair to overcoming power
