Never Breathe Again:

Breathe Again Tramel Marshall, 2023-02-09 We all have good days ok days and horrific days This is what we humans call Life One thing to be sure of is we can't always predict what will come our way Unfortunately life will throw us many diverse blows Sometimes we are strong enough and can hold our ground and at other times we aren't and get knocked down What about the knockout blow That blow that comes unexpectedly or one that is expected and it still knocks the wind out of you Have you ever been in a place where you have felt like turning in the towel Now you are on the ground wondering can you catch your breath and rise again You have now literally made a way of life out of living with the wind knocked out of you You are living with it as opposed to facing it head on and conquering it If you are honest with yourself and can see your reflection in these very words take a walk with the author through this book It will begin to unfold the many adversities that mankind faces along with the questions of the heart the difficulties of changing and some solutions that will maximize your changing process

Breathe Again Tierra D. Graves , Tierra Graves shares her powerful near death experience with double pneumonia a life altering diagnosis that left her hospitalized for twelve days voiceless and fighting for each breath This raw and deeply personal account invites readers into a journey of suffering surrender and supernatural healing Tierra weaves together medical insight poetic reflection and spiritual truth as she battles not just a rare bacterial infection but fear grief and the silence that came with losing her voice literally and spiritually Through her darkest moments in the ICU she discovers that even when we cannot speak God still hears us and even in our weakest breath there is still divine purpose Readers will also find real life experiences from other pneumonia survivors who share their own battles with this common yet potentially deadly disease The book also includes heartfelt prayers for healing and medical insights to educate and empower readers about pneumonia prevention and treatment This book is a beacon of hope for anyone who has faced sudden illness for caregivers walking alongside a loved one and for those who simply want to understand how fragile and sacred life really is You may feel broken but healing is possible You may feel silent but God still hears you And even in your weakest moment there is still purpose in your breath

Interdisciplinary Perspectives on Mortality and its Timings Shane McCorristine, 2017-09-19 This book is open access under a CC BY 4.0 license This volume provides a series of illuminating perspectives on the timings of death through in depth studies of Shakespearean tragedy criminal execution embalming practices fears of premature burial rumours of Adolf Hitler's survival and the legal concept of brain death In doing so it explores a number of questions including how do we know if someone is dead or not What do people experience at the moment when they die Is death simply a biological event that comes about in temporal stages of decomposition or is it a social event defined through cultures practices and commemorations In other words when exactly is death Taken together these contributions explore how death emerges in a series of stages that are uncertain paradoxical and socially contested
