strip Black income and wealth have been critical to sustaining a structure of racialized disadvantage These accounts also tell of the quiet heroism of those who worked to overcome obstacles and defy the plunder From the story of Anthony and Mary Johnson abducted from Angola and brought to Virginia in 1619 to the enslaved Black workers dispossessed by the Custis Washington family to Venture Smith born Brothier Furro who purchased his freedom to three generations of a family enslaved in the South who moved north after Emancipation to the Tulsa massacre and the subprime lending crisis Schermerhorn shows that we cannot reckon with today's racial wealth inequality without understanding its unrelenting role in American history
