

## Introduction

In this test booklet you'll find:

- an Entry test
- a test for each File of *New English File Pre-intermediate*
- an End-of-course test

### The Entry test

The Entry test is an optional test which covers some of the key Grammar and Vocabulary points from *New English File Pre-intermediate*. If you feel your class are at quite a low level, look out for the **Extra support** ideas in the Teacher's Book. If they are stronger, look out for the **Extra challenge** ideas.

### The A and B tests

There are two versions (A and B) of each File test and the End-of-course test, except the Speaking tests, which are designed for students to do in pairs. To prevent students from copying each other, make sure that a student with an A test is sitting next to a student with a B test. The two tests cover exactly the same material, but the questions have been changed and reorganized to make it almost impossible for students to copy answers. If copying isn't a problem with your class, you can just use the A tests.

The skills tests include KET-type exercises which reflect the format of the KET exam.

### Listening tests

All the Listening tests re-use listenings from the Student's Book. Some students may remember the contexts of the listenings, but they are very unlikely to remember the detail, and the listening exercises are KET-type tasks which are different from the tasks that students have already done.

The Listening numbers  are indicated in the Answer key.

### Answer key

The Answer key for the tests starts on page 72.

All the Tests consist of:

- Grammar, Vocabulary, and Pronunciation
- Reading and Writing
- Listening and Speaking
- Total score

<input type="checkbox"/>	50
<input type="checkbox"/>	25
<input type="checkbox"/>	25
<input type="checkbox"/>	100

If you do the Grammar, Vocabulary, and Pronunciation test but not Reading, Writing, Listening, or Speaking, double your students' marks to give a total score out of 100, e.g.

Grammar, Vocabulary, Pronunciation mark

38	50
----	----

Total score out of

76	100
----	-----

If you do the Grammar, Vocabulary, Pronunciation test and Reading and Writing, but not Listening or Speaking, double your students' Reading and Writing marks to give a percentage, e.g.

Grammar, Vocabulary, Pronunciation mark

38	50
----	----

Reading and Writing mark

18/25 =

36	50
----	----

Total score out of

74	100

It investigates problematic practices in language testing which are relevant to language test users such as language program directors, testing centers and language teachers as well as teachers in training in Graduate Diploma and Master of Arts in Applied Linguistics programs. These issues involve aspects of language testing such as test development, test administration, scoring and interpretation, use of test results. Chapters in this volume discuss insights about language testing policy, testing world languages, developing program level language tests and tests of specific language skills and language assessment literacy. In addition, this book identifies two needs in language testing for further examination: the need for collaboration between language test developers, language test users and language users and the need to base language tests on real world language use.
