airborne assault in history up to that time a high risk Allied invasion of enemy territory that has become a legend of World
War II even as it still invites criticism from historians Now a thrilling and revelatory new book re creates the operation as
never before revealing for the first time the full adventures of the bold Jedburgh paratroopers whose exploits were almost
unimaginably risky and heroic Kicked off on September 17 1944 Market Garden was intended to secure crucial bridges in the
Nazi occupied Netherlands by a parachute assault conducted by three Allied airborne divisions Capture of the bridges would
allow a swift advance and crossing of the Rhine by British ground forces Jedburgh teams Allied Special Forces were dropped
