**The Leader's Bookshelf** Martin Cohen, 2020-10-09 Which books inspired some of the world's most successful people and why Come on a journey of literary exploration and find out how books can impact your life It turns out that the life stories of many famous people start out with a particular book that inspired them when young Here Martin Cohen explores the lives of some remarkable people inventors scientists business gurus and political leaders and the books that have challenged inspired and influenced them And so exploring the ideas dreams and inspirations that this diverse group shared is at the heart of this book too Inspiration in particular is the thread that ties together individuals with characters and backgrounds as diverse as Jane Goodall and Barack Obama Malcolm X and Judge Clarence Thomas Oprah Winfrey and Malala Yousafzai Rachel Carson and Frans Lanting Often behind many tales of achievement lies much more than a collection of smart tactics There are beliefs and values that guide many a grand strategy too And the strategies are often very different which if you think about it

shouldn't come as a surprise. If there really were just one recipe for success, well, everyone would be using it already. No, the thing that unifies these disparate approaches is that they all provided for their owners a kind of conceptual grid onto which a wide range of day-to-day creative, scientific, or business practices are able to develop and grow. For Sergey Brin and Larry Page, the founders of Google, for example, the grid was Charles Darwin's notions of natural mutation and iteration. With Henry Ford, the man who pioneered the method of the assembly line, the grid was an obscure, ethereal theory of life as a sequence of reincarnations. And for both Oprah Winfrey and Steve Jobs, the grid was existentialist ideas about the pursuit of authenticity. In all these cases, a grand, indeed often philosophical theory meshed perfectly with a practical business strategy. All of these remarkable people and the books that most inspired them are explored in this book. **Seeing the Light** Thomas

DeGloma, 2014-11-26 This title explores the distinctly social logic of awakening narratives: autobiographical stories people tell about having once been contained in a world of darkness and ignorance and subsequently awakening to an enlightened understanding of their experiences and situations. It analyses a wide variety of stories spanning roughly ten thousand years of history and pertaining to various philosophical, religious, political, scientific, psychological, and sexual subject matters.

**Taking Care of Me: The Habits of Happiness** Mary Kay Mueller, [Please Remember Me](#) Jacob Z. Flores, 2015-02-06 Successful lawyer Santi Herrera couldn't be happier with the direction his life is taking. Not only is he on track to becoming a partner in his law firm, but he's planning his wedding to Hank Burton, a South Texas contractor who has made a name for himself despite his humble beginnings. The introverted lone wolf Santi and the friendly outgoing Hank complement each other perfectly. From the moment they laid eyes on each other, they were hooked, and as far as Santi and Hank are concerned, a happily ever after is their destiny. But fate deals them a devastating new hand. A construction accident leaves Hank with severe head trauma and brings him precariously close to death. When he finally awakens, Hank doesn't remember Santi or the love they shared for the past three years. Santi faces the greatest challenge of his life: Can he respark a flame his lover can't recall? And can he stop the diverging paths that fickle fate charts between them? Santi has faith in the love he and Hank shared, and in the words his father once spoke to him: It's never too late to fall in love. All over again. **Gospel**

**Wakefulness (Foreword by Ray Ortlund)** Jared C. Wilson, 2011-10-06 We may know the gospel. We may believe it, even proclaim it. But we also may assume the gospel and become lethargic. In this book, Jared Wilson seeks to answer the central question: how do we experience and present the gospel in a fresh, nonroutine way in order to prevent ourselves and others from becoming numb? His answer may be surprising by routinely presenting the unchanging gospel in a way that does justice to its earth-shaking announcement. We don't excite and awaken people to the glorious truths of the gospel by spicing up our worship services or through cutting-edge dramatic rhetoric, but by passionately and faithfully proclaiming the same truths we have already been given in Scripture. Wilson's book will stir churches to live out the power of the gospel with a fervent, genuine zeal. After an explanation of the term gospel, wakefulness, Wilson unpacks implications for worship, hyper-spirituality,

godly habits and sanctification as well as other aspects of church life Pastors church leaders and all in ministry especially those who are tired or discouraged will be uplifted emboldened and empowered by this book **This Is How You**
