Suicide Voices Sarah Waters, 2020-09-01 This book examines the phenomenon of work suicides in France and asks why at the present historical juncture conditions of work can push individuals to take their own lives During the 2000s France experienced what commentators have described as a suicide epidemic whereby increasing numbers of workers in the face of extreme pressures of work chose to kill themselves The book analyses a corpus of testimonial material linked to 66 suicide cases across three large French companies during the period from 2005 to 2015 It aims to consider what the extreme and subjective act of self killing narrated in suicide letters can tell us about the contemporary economic order and its impact on flesh and blood bodies What do rising work related suicides reveal about conditions of human labour in the twenty first century Does neoliberal economics condition a desire for suicide How do suicidal individuals describe the causes and motivations of their act Combining critical perspectives from sociology history testimony studies economics cultural studies and public health the book raises critical questions about the human costs of the shift to a finance driven neoliberal order and its everyday effects within the French workplace

The Mystic Symbol Henriette Mertz, 2004 An expanded edition of the original classic long out of print The Mystic Symbol describes thousands of Christian inscribed tablets unearthed across Michigan The Michigan Mound Builders left behind 10 000 to 30 000 artifacts as a testament to their presence in North America Mound burials have yielded evidence of a culture with Eastern Hemisphere influence in their spiritual and everyday life Controversy has engulfed this find of artifacts mainly because they were here before Columbus of 1492 which is unacceptable to our academics today Nevertheless the Michigan artifacts continue to surface even today in the state of Michigan This is fascinating look into North America s diverse history
