## Neighbours Episode Guide 46:

**Aussie Fans** Celia Lam, Jackie Raphael, 2019-10-01 Australia holds a unique place in the global scheme of fandom Much of the media consumed by Australian audiences originates from either the United States or the United Kingdom yet several Australian productions have also attracted international fans in their own right This first ever academic study of Australian fandom explores the national popular culture scene through themes of localization and globalization The essays within reveal how Australian audiences often seek authentic imports and eagerly embrace different cultures examining both Hollywood s influence on Australian fandom and Australian fan reactions to non Western content By shining a spotlight on Australian fandom this book not only provides an important case study for fan studies scholars it also helps add nuance to a field whose current literature is predominantly U S and U K focused Contributors Kate Ames Ahmet Atay Jessica Carniel Toija Cinque Ian Dixon Leigh Edmonds Sharon Elkind Jacqui Ewart Lincoln Geraghty Sarah Keith Emerald L King Renee Middlemost *From 'Stone-Age' to 'Real-Time'* Martin Slama, Jenny Munro, 2015-04-24 There are probably no other people on earth to whom the image of the stone age is so persistently attached than the inhabitants of the island of New Guinea which is divided into independent Papua New Guinea and the western part of the island known today as Papua and West Papua From Stone Age to Real Time examines the forms of agency frictions and anxieties the current moment generates in West Papua where the persistent stone age image meets the practices and ideologies of the real time a popular expression referring to immediate digital communication The volume is thus essentially occupied with discourses of time and space and how they inform questions of hierarchy and possibilities for equality Papuans are increasingly mobile and seeking to rework inherited ideas institutions and technologies while also coming up against palpable limits on what can be imagined or achieved secured or defended This volume investigates some of these trajectories for the cultural logics and social or political structures that shape them The chapters are highly ethnographic based on in depth research conducted in diverse spaces within and beyond Papua These contributions explore topics ranging from hip hop to HIV AIDS to historicity filling much needed conceptual and ethnographic lacunae in the study of West Papua *Media Information Australia* ,1989 **The Complete MRCPsych Part II** Ashok Patel, 2006-01-27 Studying for the MRCPsych exams can seem a daunting prospect especially when faced with the vast amounts of literature available to help but this book offers a complete solution in the form of a thoroughly comprehensive guide to the Part II Exam Completely up to date and taking in the recent changes to the exam the book reflects the exam format **The Athenaeum** ,1865 **The Illustrated Guide to Film Directors** David Quinlan, 1983-01-01 To find more information about Rowman and Littlefield titles please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com) *Alexander III, 1249-1286* Norman H. Reid, 2019-05-23 Winner of the Saltire Society Scottish History Book of the Year Presiding over an age of relative peace and prosperity Alexander III represented the zenith of Scottish medieval kingship The events which followed his early and unexpected death plunged Scotland into turmoil and into a period of warfare and internal

decline which almost brought about the demise of the Scottish state This study fills a serious gap in the historiography of medieval Scotland For many decades even centuries Scotland s medieval kingship has been regarded as a close likeness of the English monarchy having been modernised in that image by the twelfth and thirteenth century kings who had close relationships with their southern counterparts Recent research has cast doubt on that view and this examination of Alexander III s reign is based on a view of Scottish kingship which depends on much firmer continuity with its earlier celtic past It challenges accepted truth revealing that the nature of state and government and the relationships between ruler and subject were quite different from the previous received view On the cusp of a dynastic catastrophe which led to economic and political disaster Alexander III s reign captures a snapshot of Scotland at the end of a period of sustained peace and development a view of the medieval state as it really was

Shooting to Kill Simon Bronitt,Miriam Gani,Saskia Hufnagel,2012-11-05 The present book brings together perspectives from different disciplinary fields to examine the significant legal moral and political issues which arise in relation to the use of lethal force in both domestic and international law These issues have particular salience in the counter terrorism context following 9 11 which brought with it the spectre of shooting down hijacked airplanes and the use of force in Operation Kratos that led to the tragic shooting of Jean Charles de Menezes Concerns about the use of excessive force however are not confined to the terrorist situation The essays in this collection examine how the state sanctions the use of lethal force in varied ways through the doctrines of public and private self defence and the development of legislation and case law that excuses or justifies the use of lethal force in the course of executing an arrest preventing crime or disorder or protecting private property An important theme is how the domestic and international legal orders intersect and continually influence one another While legal approaches to the use of lethal force share common features the context within which force is deployed varies greatly Key issues explored in this volume are the

extent to which domestic and international law authorise pre-emptive use of force and how necessity and reasonableness are legally constructed in this context     Halliwell's Film, Video & DVD Guide ,2005     The Spectator ,1869 A weekly review of politics literature theology and art     *The Illustrated London News* ,1866     **Mesolithic Scotland and Its Neighbours** Alan Saville,2004 These studies provide an overview of the field of mesolithic research While the prime focus is on Scotland it also contains major contributions on the mesolithic elsewhere in the UK and Ireland and has the additional benefit of perspectives from eminent scholars from northern Europe     British Books ,1898     **Athenaeum and Literary Chronicle** ,1865     **Blackwood's Magazine** ,1947     The Sino-Indian War of 1962 Amit R.
