I d put my prayers on paper Seeing something written brought me back into reality I had a reference point Something I could read over and over to remind myself who I was and that I would be okay This is my story of survival My journey from the traumatic experience of being molested countless times by my step father while living within the strict religious practices of Jehovah s Witnesses to my healing process with Parents United I thought my life of confusion mistrust and low self esteem could never change As I got older I attracted more dysfunction in my choices I didn t know I could change that I didn t know any better I became afraid for my children I thought I was crazy and didn t have good parenting skills After years of therapy I learned to have control over my life and how to take the power back that I kept giving away I am no longer a victim It has been a long and twisty road Today I am proud to be happy healthy and productive in my world I am proud to be a survivor I hope to inspire others and give them hope that the craziness in their heads can go away I want to keep talking about this until the cycle is broken and all children are safe
